THIS PROFESSIONAL SERVICES AGREEMENT is entered into by and between the County of San Mateo, San Mateo County Health (“County”) and Maurer Dermatology Associates (“Contractor”).

W I T N E S S E T H:

WHEREAS, County operates health care facilities collectively known as “San Mateo Medical Center” (SMMC); and

WHEREAS, it is necessary and desirable that Contractor be retained for the purpose of performing professional services described in this Agreement for SMMC; and

WHEREAS, pursuant to Government Code Section 31000, County may contract with independent contractors for the furnishing of such services to or for the County; and

WHEREAS, Contractor desires to provide such services all upon the terms and conditions stated below, and this Agreement is entered into for the purpose of defining the parties’ respective rights and responsibilities.

NOW, THEREFORE, in consideration of the mutual agreements set out below, the parties agree as follows:

Section 1: Contractor’s Obligations

1.1 Organizational Status

Contractor represents and warrants that Contractor is:

A partnership, professional services corporation, or association duly organized and validly existing under the laws of the State of California and authorized to engage in the profession of dermatology in the State of California.

1.2 Contractor’s Representatives

1.2.1 The term “Contractor” shall include all Contractor’s representatives, employees, shareholders, partners, subcontractors, and agents providing services in San Mateo County under this Agreement; i.e., every member of a medical group that contracts with the County shall be considered a “Contractor” for purposes of complying with this Agreement.

1.2.2 Where Contractor represents more than one individual, Contractor will designate a “Lead Contractor”. This Lead Contractor will be the contact person for the

County when dealing with issues affecting both parties, including but not limited to enforcement of this Agreement, in cases where direct discussion with the contractor fails to adequately resolve this issue.

1.3 **Qualifications**

The following indicate qualifications that must be satisfied by each Contractor as a condition of providing services under this Agreement:

- 1.3.1 Must be accepted by the Chief Executive Officer of SMMC or his/her designee; said acceptance may be withdrawn immediately at any time with written notice to Contractor at the reasonable discretion of the Chief Executive Officer of SMMC, his/her designee, the County's Chief, San Mateo County Health, or his/her designee.
- 1.3.2 Shall at all times keep and maintain a valid license to engage in the practice of medicine in the State of California and active Medical Staff membership and/or privileges as may be required under the Bylaws of County for Contractor's representatives to provide the services contemplated by this Agreement.
- 1.3.3 Contractor's representatives shall be certified by the appropriate state-recognized board in California (or eligible for certification by such board by virtue of having successfully completed all educational and residency requirements required to sit for the board examinations).
- 1.3.4 Contractor is not currently excluded, debarred, or otherwise ineligible to participate in federal health care programs or in federal procurement or non-procurement programs; nor has Contractor been convicted of a criminal offense.
- 1.3.5 Contractor agrees to participate in the County's Organized Health Care Arrangement (OHCA), as described by the Health Insurance Portability and Accountability Act of 1996 (HIPAA). Contractors who choose to opt out of OHCA agree to advise the SMMC Medical Staff Office in writing and will provide their own Notice of Privacy Practice (NPP).
- 1.3.6 Contractor and each health care provider providing services under this Agreement shall, prior to providing services under this Agreement, provide to the SMMC Medical Staff Office satisfactory proof of immunity to Mumps, Measles and Rubella (MMR), Varicella and Hepatitis B. In addition, all such health care providers shall, prior to providing services under this Agreement, provide proof of vaccination for Influenza within the one-year period immediately preceding commencement of such services, and of QuantiFERON Tuberculosis (TB)

testing within the one-year period immediately preceding the commencement of such services. During the term of this Agreement, all health care providers providing services under this Agreement shall, on at least an annual basis, be immunized against Influenza; shall be tested for TB using the QuantiFERON blood test; and shall be N-95 fit tested. Documentation of compliance with these requirements shall be current on or before October 31st of each year during the term of this Agreement. Failure to maintain current documentation as required in this Section 1.3.6 shall be a material breach of this Agreement and will result in providers being barred from providing services or receiving compensation under this Agreement until such documentation is received. All health care providers acknowledge and agree that they may be required to undertake additional infectious disease-related testing in the event of an infectious disease exposure at SMMC. SMMC shall provide the testing and services required under this Section 1.3.6, free of charge to health care providers providing services under this agreement or such health care providers shall have the option of providing documentation from other sources that is reasonably satisfactory to the County of compliance with the requirements of this Section 1.3.6.

In consideration of the payments hereinafter set forth, Contractor, under the general direction of the Chief Executive Officer of SMMC or his/her designee, with respect to the product or results of Contractor's services, shall provide medical services as described in Exhibit A, attached hereto and incorporated by reference herein. Such services shall be provided in a professional and diligent manner.

1.5.2 Rate of Payment

The rate and terms of payment shall be as specified in Exhibit B, attached hereto and incorporated herein. Any rate increase is subject to the approval of the Chief, San Mateo County Health or his/her designee and shall not be binding on County unless so approved in writing. Each payment shall be conditioned on the Contractor's performance of the provisions of this Agreement, to the full

satisfaction of the Chief, San Mateo County Health, Chief Executive Officer of SMMC, or either of their designees.

1.5.3 Time Limit for Submitting Invoices

Contractor shall submit an invoice for services to County for payment in accordance with the provisions of Exhibit B. County shall not be obligated to pay Contractor for the services covered by any invoice if Contractor presents the invoice to County more than one hundred eighty (180) days after the date Contractor renders the services, or more than ninety (90) days after this Agreement terminates, whichever is earlier.

1.6 **Substitutes**

Contractor shall provide, at Contractor's sole cost and expense, a substitute for any Contractor who is unable to provide services required under this Agreement. As a condition of providing services under this Agreement, any such substitute shall first be approved by the Chief Executive Officer of SMMC or his/her designee and shall otherwise satisfy all qualification requirements applicable to the Contractor, including but not limited to being covered under Contractor's insurance or submitting separate insurance issued by a company under such terms and limitations as County shall reasonably approve.

1.7 **General Duties of Contractor**

1.7.1 Administrative and Miscellaneous Duties and Responsibilities

Contractor will cooperate with the administration of the Medical Center. Such cooperation shall include but not be limited to the following: maintaining medical records in a timely fashion (including the appropriate use of dictation or other technology, as required by County), billing, peer review, completing time studies as required by California and Federal reimbursement regulations, and County's compliance programs. 1.7.3 Compliance with Rules and Regulations

1.7.5 Requirement of Physician to Notify County of any Detrimental Professional Information or Violation of Contract Rules or Policies

1.7.6 Compliance with Contractor Employee Jury Service Ordinance

Contractor shall comply with Chapter 2.85 of the County's Ordinance Code, which states that Contractor shall have and adhere to a written policy providing that its employees, to the extent they are full-time employees and live in San Mateo County, shall receive from the Contractor, on an annual basis, no fewer than five days of regular pay for jury service in San Mateo County, with jury pay being provided only for each day of actual jury service. The policy may provide that such employees deposit any fees received for such jury service with Contractor or that the Contractor may deduct from an employee's regular pay the fees received for jury service in San Mateo County. By signing this Agreement, Contractor certifies that it has and adheres to a policy consistent with Chapter 2.85. For purposes of this Section, if Contractor has no employees in San Mateo County, it is sufficient for Contractor to provide the following written statement to County: "For purposes of San Mateo County's jury service ordinance, Contractor certifies that it has no full-time employees who live in San Mateo County. To the extent that it hires any such employees during the term of its Agreement with San Mateo County, Contractor shall adopt a policy that complies with Chapter 2.85 of the County's Ordinance Code." The requirements of Chapter 2.85 do not apply if this Agreement's total value listed in Exhibit B, is less than one-hundred thousand dollars (\$100,000), but Contractor acknowledges that Chapter 2.85's requirements will apply if this Agreement is amended such that its total value meets or exceeds that threshold amount.

1.9 **Provision of Records for County**

Contractor shall furnish any and all information, records, and other documents related to Contractor's services hereunder which County may reasonably request in furtherance of its quality assurance, utilization review, risk management, and any other plans and/or programs adopted by County to assess and improve the quality and efficiency of County's services. As reasonably requested, Contractor shall participate in one or more of such plans and/or programs.

1.10 **Cooperation with County in Maintaining Licenses**

Contractor shall assist County in obtaining, achieving, and/or maintaining any and all licenses, permits, other authorization, and/or accreditation standards which are dependent upon, or applicable to, in whole or in part, Contractor's services under this Agreement.

1.11 **Contractor's Conflict of Interest**

Contractor shall inform County of any other arrangements which may present a professional, financial, Stark Law, or any other state or federal conflict of interest or materially interfere in Contractor's performance of its duties under this Agreement. In the event Contractor pursues conduct which does, in fact, constitute a conflict of interest or which materially interferes with (or is reasonably anticipated to interfere with) Contractor's performance under this Agreement, County may exercise its rights and privileges under Section 3 below.

1.12 **Non-Permitted Uses of County Premises**

Contractor agrees not to use, or permit any of Contractor's representatives to use, any County facility or service for any purpose other than the performance of services under this Agreement. Without limiting the generality of the foregoing, Contractor agrees that

Such inspection shall be available for up to four (4) years after the rendering of such services. If Contractor carries out any of the duties of this Agreement through a subcontract with a value of \$10,000 or more over a twelve (12) month period with a related individual or organization, Contractor agrees to include this requirement in any such subcontract. This section is included pursuant to and is governed by the requirements of 42 U.S.C. Section 1395x(v)(1) and the regulations thereto. No attorney-client, accountant-client, or other legal privilege will be deemed to have been waived by County, Contractor, or any Contractor's representative by virtue of this Agreement.

1.16 **Professional Standards**

Contractor shall perform his or her duties under this Agreement in accordance with the rules of ethics of the medical profession. Contractor shall also perform his/her duties under this Agreement in accordance with the appropriate standard of care for his/her medical profession and specialty.

Section 2: Change of Circumstances

In the event either (i) Medicare, Medi-Cal, or any third party payor or any federal, state, or local legislative or regulative authority adopts any law, rule, regulation, policy, procedure, or interpretation thereof which establishes a material change in the method or amount of reimbursement or payment for services under this Agreement; or (ii) any or all such payors/authorities impose requirements which require a material change in the manner of either party's operations under this Agreement and/or the costs related thereto; then, upon the request of either party materially affected by any such change in circumstances, the parties shall enter into good faith negotiations for the purpose of establishing such amendments or modifications as may be appropriate in order to accommodate the new requirements and change of circumstance while preserving the original intent of this Agreement to the greatest extent possible. If, after thirty (30) days of such negotiations, the parties are unable to reach an agreement as to how or whether this Agreement shall continue, then either party may terminate this Agreement upon thirty (30) days prior written notice.

Section 3: Term and Termination

3.1 Term

Subject to compliance with all terms and conditions, the term of this Agreement shall be from December 1, 2019 through November 30, 2022.

3.2 Extension of Term

The term of the Agreement may be extended by mutual written, signed agreement by both parties.

3.3 Termination

3.3.1 Termination By County or Contractor

This agreement may be terminated by County or Contractor at any time upon ninety (90) days written notice to the other party.

The County may immediately terminate this Agreement or a portion of the services referenced in the Attachments and Exhibits based upon (1) unavailability of Federal, State, or County funds or (2) closure of the County, SMMC, or the department of SMMC at which Contractor is to provide services, by providing written notice to Contractor as soon as is reasonably possible after the County learns of said unavailability of outside funding or closure.

3.3.3 Termination for Breach of Material Terms

Either party may terminate this Agreement at any time in the event the other party engages in an act or omission constituting a material breach of any term or condition of this Agreement. The party electing to terminate this Agreement shall provide the breaching party with no fewer than thirty (30) days advance written notice specifying the nature of the breach. The breaching party shall then have thirty (30) days from the date of the notice (or such longer period as is specified in the notice) in which to remedy the breach and conform its conduct to this Agreement. If such corrective action is not taken within the time specified, this

Agreement shall terminate at the end of the notice and cure period (typically sixty (60) days) measured from the date of initial notice without further notice or demand. Upon breach of the terms of this Agreement by an individual contractor's representative, County shall have the option of withdrawing its acceptance of that individual contractor's representative, as described in Section 1.3.1, without terminating this Agreement. Upon withdrawal of acceptance, Contractor must replace said contractor representative as specified in Section 1.6 of this Agreement. Withdrawal of acceptance of an individual contractor's representative will not, of itself, constitute grounds for termination of this Agreement by either party.

3.3.4 Patient Records Upon Termination and Notice to Patients

If mediation is unsuccessful, the parties may take the dispute to Superior Court in San Mateo County.

5.8 **Third Party Beneficiaries**

this Agreement, pursue any remedy available at law, or any combination of these options. The Contractor is not entitled to payment for non-performance of services listed by this Agreement.

EXHIBIT C

PERFORMANCE METRICS

- I. Both County and Contractor acknowledge the need for a “pay for performance” reimbursement model based on mutually acceptable units of measurement. Amounts at risk will be charged quarterly to Contractor on the basis of the following metrics:
 1. Telephone Encounters (TE) and laboratory results will be addressed by responding to the clinical questions from the referring physician within seventy-two (72) hours. Delinquency is any TE or laboratory result not communicated to the referring provider within seventy two (72) hours. During the term of the Agreement, no more than ten (10) laboratory results and TE’s will not be addressed in more than seventy two (72) hours in any quarter.
 2. The telederm response will be communicated to the referring provider within seventy-two (72) hours. A delinquent response is a response taking more than seventy-two (72) hours or three (3) days. During the term of the Agreement, all telederm response will be provided to the primary care referring physician within seventy-two (72) hours.
 3. Documentation (including charge capture) will be completed within seventy-two (72) hours (three days) with no more than ten (10) delinquent charts for Contractor each month. A delinquent chart is any chart which is not closed within twenty-one (21) days.
 4. During the term of the Agreement, Contractor Providers are to be compliant with SMMC Employee Health Requirements (EHR). A copy of the EHR has been provided to Dr. Toby Maurer.
 5. If the Provider is more than fifteen (15) minutes late for the start of a dermatology clinic, the Provider will communicate a plan of action to the PSA and the NP/PA assisting in the clinic. Noncompliance will be more than one (1) instance which Provider is more than fifteen (15) minutes late to the clinic without calling per month.

Compliance is measured by meeting or exceeding each of the metrics listed in this Exhibit C, Section I.

- II. Both the County and Contractor acknowledge Contractor cannot achieve the metrics detailed in Section I of this Exhibit C, without assistance and cooperation from the County and, at times, there are conditions the Contractor cannot control. Therefore, the County must meet the following operational conditions, and failure to do so will have the consequences described below in Exhibit C, Section III.

1. Ninety percent (90%) or better on time (8:00 a.m.) arrival for clinic staff. Noncompliance is defined as clinic staff unable to begin assisting patients and provider after 8:15 a. m.
2. The Contractor Provider will meet with Medical Director of Specialty Services at mid-quarter (six weeks into each quarter) to review metrics which are not tracking to meet the goal.
3. Ninety five percent (95%) of patients seen in the Dermatology clinic will have a telederm evaluation prior to their appointment. (Metric will be obtained by sampling two (2) clinic days per quarter). (The Contractor will provide the data for this metric to the Medical Director of Specialty Services for SMMC).
4. The SMMC's Telederm system of relaying images contract remains active and updated. (Noncompliance is defined as key issues which are not addressed within five (5) business days of being escalated to the SMMC Chief Medical Officer (CMO)).
5. Pathology contract remains active and updated. (Noncompliance is defined as key issues which are not addressed within five (5) business days of being escalated to the CMO).

III. In the event that the County fails to meet any of the conditions listed in Subsections II.A through II.E of this Exhibit C during any quarterly period during the term of this Agreement, Contractor shall be entitled to a credit of \$2,500 for that quarter for each condition that the County failed to achieve during that quarter, which may be offset against any amounts to which the County would otherwise be entitled due to the Contractor's failure to meet performance metrics during the same quarter. Thus, whether the County is entitled to amounts from Contractor due to Contractor's failure to meet performance metrics is affected by whether Contractor actually meets or failed to meet the metrics described in Section I of this Exhibit C to the Agreement, as well as whether County meets the conditions set forth in Section II of this Exhibit C to the Agreement. By way of example, the calculation each quarter will follow this logic:

If Contractor fails to achieve 2 out of 5 metrics during a given quarter, Contractor's compensation will be reduced by two fifths (2/5th) of the \$12,500 total that is at risk for failure to meet all five of the metrics set forth in this Exhibit C (i.e., \$5,000). Contractor would, however, be entitled to retain the three fifths (3/5th) of the \$12,500 that corresponds to the three performance metrics achieved during that quarter (i.e. \$7,500). If however, in the same quarter the County fails to achieve one of its five operational conditions, Contractor shall be entitled to receive an additional amount equal to one fifth (20%) of the \$12,500 performance incentive amount at risk during the quarter (i.e. \$2,500). Therefore, in this example, where Contractor has failed to achieve two of the five performance operational conditions, the Contractor shall be subject to a reduction in compensation corresponding to the two performance metrics that the Contractor failed to achieve, less the amount corresponding operational conditions that the County failed to achieve.

The County's failure to achieve operational conditions in any given quarter shall only be considered in determining whether the Contractor is entitled to an offset for the Contractor's failure to achieve performance metrics under this Agreement and under no circumstances shall County's failure to achieve operational standards result in Contractor receiving compensation beyond that set forth in Exhibit B to this Agreement.

As stated above, under no circumstances shall Contractor ever receive during a quarter any amount greater than the total quarterly incentive amount of \$12,500. Once the calculation of Contractor compliance with performance metrics is complete following each quarter, any "reduction" assessed from the calculation of the quarter will be withheld from the monthly payment immediately following the date upon which County informs Contractor of the extent of its compliance with the performance metrics for the preceding quarter.

Contractor's earned contractual compensation will be reduced by up to a maximum of TWELVE THOUSAND FIVE HUNDRED DOLLARS (\$12,500) for failure to meet or exceed metrics each quarter. Each metric is valued at \$2,500 each quarter.

Policy Update: 10/22/2018

Overview

Vendors/Contractors play an important role in the support of hardware and software management for San Mateo County. They may be required to access, configure, maintain, and provide emergency support for systems. As a result, the vendor/contractor can be exposed to sensitive data or the need to connect to the County's network may expose the County to unwanted virus or security threats.

Policy Purpose

The purpose of this policy is to establish rules and responsibilities for the vendors/contractors who require not only physical access but also access to the County's network and information resources. This policy is intended to minimize potential exposure from damages and to mitigate any liability to the County as a result of unauthorized use.

Scope

This policy applies to all vendors/contractors who require access to County facilities as well as access to the County's network using non-County owned computing devices to perform work on behalf of the County. This policy also applies to all portable computers (laptops) and portable computing devices (devices that have similar hardware and software components used in personal computers such as a tablet PC).

Policy

Vendor/contractors shall:

Vendor must also ensure that all computing devices have operating system security patches installed and are updated on a regular basis.

Additionally, computing devices, such as laptops and/or tablets, must include an approved encryption program with configuration that meets or exceeds the County's IT Security Policy.
