**Attachment “A”– Proposed Bike Lanes and Public Input Summary**

Adopt a resolution authorizing the establishment of Bike Lanes on Industrial Road in unincorporated Belmont as seen in attached map.

<b>Address</b>	<b>Area</b>	<b>Description</b>	<b>Objections</b>	<b>Support</b>
Industrial Road between San Carlos' city limits and Harbor Boulevard	Unincorporated Belmont	Property Owner Notification	0	0

**Location: Portion of Industrial Road south of Harbor Boulevard**

**Discussion:**

In order to provide adequate space for the existing parking spaces, proposed bicycle lanes, and existing travel lanes, the Department is proposing to narrow the existing travel lanes to a minimum width of 10 feet from 12 feet. This change is consistent with the existing 10-foot travel lanes already provided along the San Carlos' portion of Industrial Road.

This modification would extend the existing bicycle lanes from the City of San Carlos to Industrial Road, thereby providing bicycle facilities on Industrial Road from Whipple Avenue in Redwood City to Harbor Boulevard in unincorporated Belmont. We believe this improvement would facilitate the safe movement of cars and bikes in this corridor.

**Key Facts:**

- The proposed improvements maintain existing parking spaces along Industrial Road
- Fills a gap in the bike route

**Staff Recommendations:**

Establish a Bike Lane as shown on the attached map.
