THROUGH DECEMBER 31, 2020, IN AN AMOUNT NOT TO EXCEED \$182,000**

WHEREAS, this Board has made social equity a focus area for 2020; and

WHEREAS, by focusing on social equity factors, the aim is to help County policymakers, as well as community-based organizations, businesses, and residents, understand the social and environmental needs of our residents, and to utilize that information in making decisions; and

WHEREAS, by considering social equity factors and information, the County will broaden its decision-making beyond simply measuring "inputs" such as dollars spent, and will measure outcomes, taking into account social and environmental factors; and

WHEREAS, the County Manager's Office conducted a Request for Proposals for social equity research, data analysis, and consultation services regarding a method of integrating equity into the County's decision-making processes and Social Progress Imperative (SPI) was the only respondent to the RFP; and

WHEREAS, the County wishes to enter into an agreement with SPI for the term March 10, 2020 through December 31, 2020, in an amount not to exceed \$182,000, for
