RESOLUTION AUTHORIZING THE COUNTY PURCHASING AGENT TO ISSUE PURCHASE ORDERS TO PRIORITY HEALTHCARE, DBA CURASCRIPT SPECIALTY DISTRIBUTION TO PROVIDE INTRAUTERINE AND IMPLANTABLE PRESCRIPTION DEVICES FOR THE TERM OF APRIL 1, 2020 THROUGH MARCH 31, 2023, IN AN AMOUNT NOT TO EXCEED \$1,500,000

RESOLVED, by the Board of Supervisors of the County of San Mateo, State of California, that

WHEREAS, as part of San Mateo County’s commitment to women’s health, San Mateo Medical Center (SMMC) offers a variety of intrauterine and implantable prescription devices that provide birth control for its patients; and

WHEREAS, SMMC pharmacy has been purchasing intrauterine and implantable prescription devices for many years through vendor agreements with Priority Healthcare dba Curascript Specialty Distribution (Curascript); and

WHEREAS, this vendor agreement now requires the Board’s approval for SMMC to continue to purchase these devices because the annual spend has reached the County’s \$100,000 threshold; and

WHEREAS, SMMC is also requesting the Board waive the Request for Bid process because Curascript’s Nexplanon, a prescription inserted on the inner side of a woman’s upper arm, provides safe effective contraception for up to three years and is a sole source device not sold by any other vendor; and

WHEREAS, the Board has determined it is in the best interest of the County to waive the Request for Bid process; and

WHEREAS, the Board has been presented with a form of such resolution, has examined and approved it as both form and content, and desires to enter into it.

NOW THEREFORE, IT IS HEREBY RESOLVED that the Request for Bid process is waived and the President of the Board of Supervisors authorizes the County Purchasing Agent to issue purchase orders to Priority Healthcare, dba Curascript Specialty Distribution.
