**RESOLUTION APPROVING REVISIONS TO SAN MATEO COUNTY'S 2020
LEGISLATIVE SESSION PROGRAM**

RESOLVED, by the Board of Supervisors of the County of San Mateo, State of California, that

WHEREAS, effective legislative participation and advocacy are critical to county government and many local programs; and

WHEREAS, the County Manager's Office with direction from the Board, and in conjunction with County departments and the County's state and federal legislative advocates has coordinated development of the County's 2020 Legislative Session Program; and

WHEREAS, the 2020 Legislative Session Program details the top legislative priorities for the County in the second year of the two-year session, as well as established policy principles adopted by the Board that guide the advocacy actions of County staff and the County's advocacy teams; and

WHEREAS, the unprecedented and unexpected events of the COVID-19 pandemic necessitate a revision to the County's 2020 legislative priorities to allow the County Manager's Office to advocate on COVID-19-related legislation and state budget measures without the need for the Board to review and approve each of legislative and state budgetary measures at issue; and

WHEREAS, the Board has been presented with revisions to the County's 2020 Legislative Session Program and desires to approve the same.

NOW, THEREFORE, IT IS HEREBY DETERMINED AND ORDERED that the Board of Supervisors does hereby adopt and approve the revised 2020 Legislative Session Program for San Mateo County.
