RESOLVED, by the Board of Supervisors of the County of San Mateo, State of California, that

WHEREAS, since 2012, the County has allocated AB 109 public safety realignment monies for the funding of the Community Corrections Partnership Competitive Grant program (CCP), which grants are intended to fund community-based innovations, efforts to strengthen collaboration in program delivery, and to fill identified gaps in services; all with the purpose of improving the successful re-entry of realigned offenders; and

WHEREAS, Community-Based Organizations were selected through two (2) Requests for Proposals issued by the County Manager's Office in 2013 and 2015; and

WHEREAS, the County entered into original agreement with JobTrain, Inc., for the term June 30, 2016 through July 1, 2017; Service League of San Mateo County, for the term June 30, 2016 through July 1, 2017; and Success Through Education Program

(STEP) for the term January 1, 2016 through December 31, 2016. All three of these agreements were amended annually to increase the amounts and extend the terms through June 30, 2020. The original agreement with Project READ was for the term July 1, 2017 through June 30, 2018 and was also amended to increase the amount and extend the term through June 30, 2020; and

WHEREAS, the County determined that departments should provide Unified Reentry clients, those classified at moderate or high risk of reoffending but not technically AB 109 offenders, with the same level of services provided to persons classified under AB 109; and

WHEREAS, the County commissioned an evaluation of the program which was completed in late 2019; and

WHEREAS, although the outcome of the evaluation was positive regarding the County's implementation of AB109 and Unified Reentry programming and the collaboration among agencies in providing in-and out-of-custody services, recommendations included better data collection, including the transition of all paper records to electronic data formats; protecting staff time to develop and share best practices, including follow-up; using automatic notification to remind clients of resources and behavioral health appointments; and further staff training on working with this often more challenging and resistant population; and

WHEREAS, the County Manager's Office continues to work with departments to make redeterminations regarding AB 109 and Unified Reentry programming and service levels needed going forward; and

WHEREAS, at this time, services to these populations will continue at the current levels through FY 2020-21, including the subject contracts through the County's CCP Competitive Grant Program; and

WHEREAS, the County now desires to extend the agreements with JobTrain, Inc., Service League of San Mateo County, STEP, and Project READ to continue to provide services through June 30, 2021; and

WHEREAS, this Board has been presented with forms of such amendments to the agreements with JobTrain, Service League of San Mateo County, STEP, and Project READ, and has examined them and has approved them as to both form and content, and desires to authorize the County Manager or designee to execute such amendments.
