The maximum payable amount shall not exceed **\$195,000.00**.
- B. The Host Entity shall be obligated to pay for any service rendered by the Department exceeding the maximum payable amount only if this Agreement is amended to provide for such payment pursuant to Provision 9. Services rendered by the Department of which costs exceed the maximum payable amount shall cease until an amendment is executed.

6. Payment Terms and Invoicing

- A. The Department shall submit to the Host Entity an annual invoice identifying the following summarized categories of administrative costs for the State Fiscal Year (SFY) period billed: salary, benefits, operating expenses, and total costs. The Department shall submit the annual invoice to the Host Entity no later than 60 calendar days following the term of this Agreement.
- B. Subject to the limitation in Provision 4, the Host Entity shall compensate the Department for the actual administrative costs of performing the services listed in Schedule A, as required by Welfare and Institutions Code section 14105.96 and described in Provision 8 of this Agreement, within 45 calendar days of receipt of the annual invoice from the Department.
- C. Failure of the Host Entity to timely compensate the Department pursuant to paragraph B shall constitute a material breach of this Agreement by the Host Entity, which at the Department's discretion, may result in termination by the Department pursuant to Provision 10. The Host Entity may cure such a breach by rendering

payment of the amount owed to the Department prior to the termination of the Agreement pursuant to Provision 10.

- D. The Department will invoice Host Entity within 60 calendar days following the termination of this agreement. The Host Entity will have 45 calendar days from the date of the invoice to remit payment to the Department as indicated in paragraph B. Host Entity agrees that the Department may conduct a periodic assessment, as determined by the Department, of such costs incurred by the Department to determine compliance with Section 14105.96 and further agrees that all invoicing as described in Provision 6 and any other relevant documentation, will be accordingly updated to ensure compliance with Section 14105.96.

8. Scope of Work

The Department shall perform the activities related to administering the Program as described in Schedule A, attached hereto and incorporated herein by reference, during the period July 1, 2020 through June 30, 2021. It is understood by both Host Entity and the Department that payments set forth under this Agreement are for the purpose of reimbursing the Department for all allowable costs related to performing these activities as limited by Provision 4. Should the scope of work or services to be performed under this Agreement conflict with the Department's responsibilities as the single agency for Medicaid in California (Medi-Cal) pursuant to Welfare and Institutions Code section 14100.1, the single state agency responsibilities shall take precedence. The Department's cessation of any activities due to single state agency responsibilities does not relinquish the obligation of Host Entity to reimburse the Department for administrative costs incurred by the Department.

9. Amendments

Except as provided in Provision 5 above, no amendment or variation of the terms of this Agreement shall be considered binding on either party unless it is made and approved in writing by both parties.

10. Termination

- A. Either the Host Entity or the Department may terminate this Agreement for a material breach on at least 30 calendar days prior written notice by email or mail. The notice shall include a description of that breach. The notice of termination shall be rescinded in the event that the breach is cured prior to the effective date of the termination.
- B. In the event that the Program is terminated during the term of this Agreement, this Agreement shall also terminate effective on the date that the Department stops performing administrative services associated with closing out this Program. The Host Entity shall be obligated to pay for all the administrative costs incurred for the services duly performed by the Department through the effective date of the termination.

11. General Provisions

- A. Approval. This Agreement is of no force or effect until signed by both parties.
- B. Records. The Department shall maintain and preserve all records relating to this Agreement for a period of three years from the date of the termination or expiration of this Agreement, or until audit findings are resolved, whichever is longer.

- D. Severability. If any term, condition, or provision, of this Agreement invalid, void, or unenforceable, the remaining provisions will nevertheless continue in full force and effect and shall not be affected, impaired, or invalidated in any way. Notwithstanding the previous sentence, if a decision by a court of competent jurisdiction invalidates, voids, or renders unenforceable a term, condition, or provision in this Agreement, then the parties to this Agreement shall either amend this Agreement pursuant to Provision 9 or it shall be terminated pursuant to Provision 10.

No oral understanding or agreement not incorporated in the Agreement is binding on any of the parties.
- H. Provider Participation Agreement. This Agreement does not alter, amend, or override any of the Host Entity's obligations contained in the Host Entity's Provider Participation Agreement for the Program.
- I. State Fiscal Year. The SFY begins on July 1 each year and ends on June 30 of the subsequent calendar year.
- J. Timeliness. Time is of the essence in this Agreement.
