Further, Purchaser may terminate this Agreement with no liability whatsoever, including, but not limited to the Early Termination Fee, if Provider fails to commence Commercial Operation by the date that is sixty (60) days after the Guaranteed Commercial Operation Date. The Guaranteed Design Date, Guaranteed Permit Submission Date, Guaranteed Construction Start Date and Guaranteed Commercial Operation Date shall be extended on a day-for-day basis if any of the following occurs: (x) notwithstanding Provider’s commercially reasonable efforts, interconnection approval is not obtained within sixty (60) days after the Effective Date, provided that interconnection applications are submitted within 45 days of the later of (a) the Effective Date and (b) finalization of the System layout, (c) Purchaser has not responded reasonably expeditiously to Provider requests for information or review of submittals (y) a Force Majeure

Any such extension pursuant to subsection (z) shall be subject to the approval of Purchaser which shall not be unreasonably withheld, conditioned or delayed.

### 2.3 Purchase Option.

(a) **General.** On any Purchase Date, so long as a Purchaser Default shall not have occurred and be continuing, Purchaser has the option to purchase the System for a purchase price (the "Option Price") equal to the greater of (a) the Fair Market Value of the System as of the Purchase Date, or (b) the Early Termination Fee as of the Purchase Date, as specified in Schedule 3, Column 2 of the Special Conditions. To exercise its purchase option, Purchaser shall, not less than one hundred and eighty (180) days prior to the proposed Purchase Date, provide written notice to Provider of Purchaser's intent to exercise its option to purchase the System on such Purchase Date. Within thirty (30) days of receipt of Purchaser's notice, Provider shall specify the Option Price and provide all calculations and assumptions supporting said Option Price to Purchaser. Purchaser shall then have a period of sixty (60) days after notification to confirm or retract its decision to exercise the purchase option or, if the Option Price is equal to the Fair Market Value of the System, to dispute the determination of the Fair Market Value of the System. In the event Purchaser confirms its exercise of the purchase option in writing to Provider (whether before or after any determination of the Fair Market Value determined pursuant to Section 2.3(ii)), (i) the Parties shall promptly execute all documents necessary to (A) cause title to the System to pass to Purchaser on the Purchase Date, free and clear of any Liens, and (B) assign all vendor warranties for the System to Purchaser, and (ii) Purchaser shall pay the Option Price to Provider on the Purchase Date, such payment to be made in accordance with any previous written instructions delivered to Purchaser by Provider or Provider's Financing Party, as applicable, for payments under this Agreement. Upon execution of the documents and payment of the Option Price, in each case as described in the preceding sentence, this Agreement shall terminate automatically. Payment of the Option Price shall be in lieu of and instead of any payments as described in Section 2.2 hereof. In the event Purchaser retracts its exercise of, or does not timely confirm, the purchase option, the provisions of this Agreement shall be applicable as if Purchaser had not exercised any option to purchase the System.

(b) **Determination of Fair Market Value.** If the Option Price indicated by Provider in accordance with Section 2.3(i) is equal to the Fair Market Value (as determined and demonstrated by supporting documentation provided by Provider) and Purchaser disputes such stated Fair Market Value within thirty (30) days of receipt of such notice from Provider, then the Parties shall mutually select an independent appraiser with experience and expertise in the Energy Services industry. Such appraiser shall have expertise and experience in valuing photovoltaic systems, resale markets for such systems and related environmental attributes, and shall act reasonably and in good faith to determine Fair Market Value and shall set forth such determination in a written opinion delivered to the Parties. The valuation made by the appraiser shall be binding upon the Parties in the absence of fraud or manifest error; however, if Purchaser in good faith disputes the valuation made by the appraiser, Purchaser shall have the right to retract its decision to exercise the Purchase Option. The Parties shall equally share the costs of the appraisal.

2.4 **Removal of System at Expiration.** Subject to Purchaser's exercise of its purchase option under Section 2.3, upon the expiration or earlier termination of this Agreement, Provider shall, at Provider's expense, remove all of its tangible property comprising the System from the Premises on a mutually convenient date but in no case later than ninety (90) days after the Termination Date. The Premises shall be returned to its original condition, except for System mounting pads on roof-mounted systems only, and ordinary wear and tear. If the System is to be located on a roof, then in no case shall Provider's removal of the System affect the integrity of Purchaser's roof, which shall be as leak proof as it was prior to removal of System (other than ordinary wear and tear). For purposes of Provider's removal of the System, Purchaser's covenants pursuant to Section 7.2 shall remain in effect until the date of actual removal of the System. Provider shall leave the Premises in neat and clean order. If Provider fails to remove or commence substantial efforts to remove the System by such agreed upon date, Purchaser shall have the right, at its option, to remove the System to a public warehouse and restore the Premises to its original condition (other than System mounting pads and ordinary wear and tear) at Provider's reasonable cost.

### 2.5 Conditions Prior to the Commercial Operation Date.

(a) In the event that any of the following events or circumstances occur prior to the Commercial Operation Date, Provider may (at its sole discretion) provide notice that it is terminating this Agreement, in which case neither Party shall have any liability to the other except for any such liabilities that may have accrued prior to such termination, including but not limited to Provider's restoration of the Premises in accordance with Section 2.4:

(i) Provider determines that the Premises, as is, is insufficient to accommodate the System or unsuitable for construction or operation of the System.

(ii) There exist site conditions (including environmental conditions) or construction requirements that were not known as of the Effective Date and that could reasonably be expected to materially increase the cost of Installation Work or would adversely affect the electricity production from the System as designed.

(iii) There is a material adverse change in the regulatory environment, incentive program or federal or state tax code (including the expiration of any incentive program or tax incentives in effect as of the Effective Date) that could reasonably be expected to adversely affect the economics of the installation for Provider and its investors.

(iv) Provider is unable to obtain financing for the System on terms and conditions satisfactory to it, provided Purchaser shall be entitled to recover from Provider its reasonable, incurred costs (not to exceed \$10,000) associated with such termination upon evidence of such costs, including, but not limited to, legal and consultant fees in connection with this Agreement and RFP-related expenses.

(v) Provider has not received: (1) a fully executed a license in the form of Exhibit A of these General Terms and Conditions from the owner of the Premises (if the Purchaser is a tenant), (2) a release or acknowledgement from any mortgagee of the Premise, if required by Provider's Financing Party, to establish the priority of its security interest in the System, and (3) such other documentation as may be reasonably requested by Provider to evidence Purchaser's ability to meet its obligations under Section 7.2(d)(ii) to ensure that Provider will have access to the Premises throughout the Term.

(vi) There has been a material adverse change in the rights of Purchaser to occupy the Premises or Provider to construct the System on the Premises.

(vii) Purchaser has not received evidence reasonably satisfactory to it that interconnection services will be available with respect to energy generated by the System.

(viii) Purchaser has determined that there are easements, CCRs or other land use restrictions, liens or encumbrances that would materially impair or prevent the installation, operation, maintenance or removal of the System.

(ix) There has been a material adverse change in Purchaser's credit-worthiness.

(b) If any of the conditions set forth in Section 2.5(a) are partly or wholly unsatisfied, and Provider wishes to revise the information in the Special Conditions, then Provider may propose modifications to the Special Conditions for acceptance by Purchaser. If Purchaser does not accept such modified Special Conditions, Provider may terminate this Agreement as provided in Section 2.5(a) and shall restore the Premises in accordance with Section 2.4. If Purchaser accepts such revised Special Conditions, such revised Special Conditions shall be deemed an amendment of this Agreement, and this Agreement shall remain in force and effect upon execution by both Parties.

### 3. CONSTRUCTION, INSTALLATION AND TESTING OF SYSTEM.

(b) If the results of such testing indicate that the System is capable of providing the Energy Services, using such instruments and meters as have been installed for such purposes, and the System has been approved for interconnected operation by the Local Electric Utility ("Commercial Operation"), and Provider has provided all Closeout Document Submittals per Table 3 of V. Project Closeout Submittals as shown in the Energy Services Agreement Schedule 9 – Submittal and Project Acceptance, then Provider shall send a written notice to Purchaser to that effect, and the date of such notice shall be the "Commercial Operation Date". Provider may begin recording energy delivered for the purposes of charging the Purchaser starting on the Commercial Operation Date.

(c) Following the achievement of "Commercial Operation", Provider shall submit to Purchaser documentation verifying that all Final Completion/Acceptance items shown in Table 3 of V. Project Closeout Submittals as shown in the Energy Services Agreement Schedule 9 – Submittal and Project Acceptance, have been completed. Provider shall then submit a notice of "Final Completion" and the date of such notice shall be the "Final Completion Date". Purchaser will begin paying for energy delivered upon the "Final Completion Date".

Subject to Article 12, Provider agrees that it shall indemnify and hold harmless Purchaser, Purchaser's consultants, inspectors, its permitted successors and assigns and their respective directors, officers, members, shareholders and employees (collectively, the "Purchaser Indemnified Parties") from and against any and all Losses incurred by Purchaser Indemnified Parties to the extent arising from death, personal injury, property damage or other cause based or asserted upon any act, omission or breach connected with or arising in any way from Provider's obligations or performance under this Agreement. As part of this indemnity, Provider shall protect and defend, at its own expense, the Purchaser Indemnified Parties from any legal action including attorney's fees or other proceeding based upon such act, omission, breach or as otherwise required by this Article. Furthermore, Provider agrees that it shall indemnify and hold harmless the Purchaser Indemnified Parties against any Losses which may be incurred by reason of:

(a) Liability for (1) death or bodily injury to persons; (2) damage or injury to, loss (including theft), or loss of use of, any property; (3) any failure or alleged failure to comply with any provision of applicable law or the Agreement; or (4) any other loss, damage or expense, sustained by any person, firm or corporation or in connection with the obligations set forth in this Agreement.

(b) Any bodily injury to or death of persons or damage to property caused by any act, omission or breach of Provider or any Provider Indemnified Party, including all damages or injury to or death of persons, loss (including theft) or loss of use of any property, sustained by any person, firm or corporation, including the Purchaser, arising out of or in any way connected with Purchaser's obligations under this Agreement, whether said injury or damage occurs either on or off Purchaser property.

(c) Any dispute between Provider and Provider's subcontractors/suppliers/laborers/sureties, including, but not limited to, any failure or alleged failure of the Provider (or any person hired or employed directly or indirectly by the Provider) to pay any subcontractor or materialman of any tier or any other person employed in connection with the Installation Work and/or filing of any stop payment notice or mechanic's lien claims.

Provider shall not, however, be required to reimburse or indemnify any Purchaser Indemnified Party for any Loss to the extent such Loss is due to the negligence or willful misconduct of any Purchaser Indemnified Party.

16.2 Purchaser's Indemnity. Subject to Article 12 and to the extent permitted by Applicable Law, Purchaser agrees that it shall indemnify and hold harmless Provider, its permitted successors and assigns and their respective directors, officers, members, shareholders and employees (collectively, the "Provider Indemnified Parties") from and against any and all Losses incurred by Provider Indemnified Parties to the extent arising from or out of any claim for or arising out of any injury to or death of any Person or loss or damage to property of any Person to the extent arising out of Purchaser's negligence or willful misconduct. Purchaser shall not, however, be required to reimburse or indemnify any Provider Indemnified Party for any Loss to the extent such Loss is due to the negligence or willful misconduct of any Provider Indemnified Party.

  - B. The insurance provided herein is primary and no insurance held or owned by the Purchaser shall be called upon to contribute to a loss.
  - C. Coverage provided by this policy shall not be reduced or canceled without thirty (30) days written notice given to the Owner by certified mail.
  - D. This policy does not exclude explosion, collapse, underground excavation hazard, or removal of lateral support.
  - E. The certificates must state that the insurance is under an occurrence based, and not a claims-made, or "modified occurrence," policy (policies).
- 17.5. The following documentation of insurance shall be submitted to Purchaser for approval prior to issuance of the Notice to Proceed: Certificates of insurance showing the limits of insurance provided. Provider will make certificates of insurance available for review in a manner deemed convenient by the Purchaser with ten (10) days of Purchaser's request. At the time of making application for an extension of time, the Provider shall submit evidence that the insurance policies will be in effect during the requested additional period of time.
- 17.6. If the Provider fails to maintain such insurance, the Purchaser may take out such insurance to cover any damages of the above mentioned classes for which the Purchaser might be held liable on account of the Provider's failure to pay such damages, and deduct and retain the amount of the premiums from any sums due the Provider's under the Contract.
- 17.7. Workers' Compensation Insurance:
- A. Within ten (10) calendar days following issuance of the Notice of Award of the Contract, the Provider shall furnish to the Purchaser satisfactory proof that the Provider and all Subcontractors it intends to employ have procured, for the period covered by the Contract, **full Workers' Compensation insurance and employer's liability with limits of at least**

Such insurance shall be maintained in full force and effect during the period covered by the Contract. In the event the Provider is self-insured, Provider shall furnish a Certificate of Permission to Self-Insure, signed by the Department of Industrial Relations Administration of Self-Insurance, Sacramento, California.

- B. If the Provider fails to maintain such insurance, the Purchaser may take out worker's compensation insurance to cover any compensation which the Purchaser might be liable to pay under the provisions of the Act, by reason of any employee of the Provider being injured or killed, and deduct and retain the amount of the premiums for such insurance from any sums due the Provider under the Contract, or otherwise recover that amount from the Provider or the Surety.
  - C. If an injury occurs to any employee of the Provider for which the employee, or the employee's dependents in the event of the employee's death, is entitled to compensation under the provisions of the Act, or for which compensation is claimed from the Purchaser, the Purchaser may retain from the sums due the Provider under this Contract an amount sufficient to cover such compensation, as fixed by the Act, until such compensation is paid, or until it is determined that no compensation is due, and if the Purchaser is compelled to pay such compensation, it will deduct and retain from such sums the amount so paid, or otherwise recover this sum from the Provider or its Surety.
  - D. The policies represented by the certificates shall be endorsed with a Waiver of Subrogation and must contain the provision (and the certificates must so state) that the insurance cannot be canceled until thirty (30) days after written notice of intended cancellation has been given to the Purchaser by certified mail.
  - E. Provider certifies, as required of the California Labor Code, which requires every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of the Labor Code.
- 17.8. Additional Insureds. Provider's insurance policy shall be written on an occurrence basis and shall include Purchaser as an additional insured as its interest may appear.
- 17.9. Certificates of Insurance. Each Party, upon request, shall furnish current certificates evidencing that the insurance required under Section 17 is being maintained. If requested, a Party shall provide to the other Party statements evidencing the quantity of electricity produced by the System and delivered to the delivery point. If any such examination reveals any inaccuracy in any invoice, the necessary adjustments in such invoice and the payments thereof will be made promptly and shall bear interest calculated from the date the overpayment or underpayment was made until paid.

18.3 The exhaustion of the dispute resolution procedure provided for in Section 18 is a condition precedent to the initiation of legal action in a court of law.

The Agreement, together with the Exhibits and Schedules attached thereto or incorporated by reference, constitute the entire agreement and understanding between Provider and Purchaser with respect to the subject matter thereof and supersedes all prior agreements relating to the subject matter hereof which are of no further force or effect. The Exhibits and Schedules attached to this Agreement, including these General Terms and Conditions as incorporated by reference, are integral parts of this Agreement and are an express part of this Agreement. 19.5 Intentionally Omitted.

19.6 Limited Effect of Waiver. The failure of Provider or Purchaser to enforce any of the provisions of this Agreement, or the waiver thereof, shall not be construed as a general waiver or relinquishment on its part of any such provision, in any other instance or of any other provision in any instance.

19.7 Survival. The obligations under Section 2.4 (Removal of System), Section 7.1 (Provider Covenants), Sections 7.2(d), (e), (f), (g), (h) and (i) (Purchaser Covenants), Section 8.3 (Exclusion of Warranties), Article 9 (Taxes and Governmental Fees), Article 12 (Limitation of Liability), Article 14 (Notices), Article 15 (Confidentiality), Article 18 (Dispute Resolution), Article 19 (Miscellaneous), all payment or indemnification obligations accrued prior to termination of this Agreement, or pursuant to other provisions of this Agreement that, by their sense and context, are intended to survive termination of this Agreement shall survive the expiration or termination of this Agreement for any reason.

[PURCHASER'S LETTERHEAD]

[Landlord's Address]

Attn: Authorized Representative

Re: Proposed Energy System Installation at [Address of Premises]

Lease dated [ ] between [PURCHASER] and [LANDLORD] (the "Lease")

Dear Authorized Representative:

As has been discussed with you, [PURCHASER] ("Purchaser") and [FFP Entity] ("Provider") have entered into an Energy Services Agreement, pursuant to which Provider will install, finance, operate, and maintain a [solar photovoltaic] [battery storage] system at the above-referenced premises which [PURCHASER] leases from you pursuant to the Lease. By signing below and returning this letter to us, you confirm that:

1. The [solar photovoltaic] [battery storage] system and the renewable energy (including environmental credits and related attributes during the first five years of operation) produced by the system are personal property, and shall not be considered the property (personal or otherwise) of [LANDLORD] upon installation of the system at the premises. Landlord consents to the filing by Provider of a disclaimer of the System as a fixture of the Premises in the office where real estate records are customarily filed in the jurisdiction of the Premises.
2. Provider or its designee (including finance providers) shall have the right without cost to access the premises in order to install, operate, inspect, maintain, and remove the [solar photovoltaic] [battery storage] system. [LANDLORD] will not charge Purchaser or Provider any rent for such right to access the premises.
3. [LANDLORD] has been advised that the finance providers for the [solar photovoltaic] [battery storage] system have a first priority perfected security interest in the system. Provider and the finance providers for the [solar photovoltaic] [battery storage] system (including any system lessor or other lender) are intended beneficiaries of [LANDLORD]'s agreements in this letter.
4. [LANDLORD] will not take any action inconsistent with the foregoing.

We thank you for your consideration of this opportunity and we look forward to working with you in our environmental campaign to increase the utilization of clean, renewal energy resources.

Very truly yours,

[PURCHASER]

**of General Conditions**

**Certain Agreements for the Benefit of the Financing Parties**

Purchaser acknowledges that Provider will be receiving financing accommodations from one or more Financing Parties and that Provider may sell or assign the System or this Agreement and/or may secure Provider's obligations by, among other collateral, a pledge or collateral assignment of this Agreement and a first security interest in the System. In order to facilitate such necessary sale, conveyance, or financing, and with respect to any such Financing Party, Purchaser agrees as follows:

(a) **Consent to Collateral Assignment.** Purchaser consents to either the assignment, sale or conveyance to a Financing Party or the collateral assignment by Provider to a Financing Party, of Provider's right, title and interest in and to this Agreement.

(b) **Notices of Default.** Purchaser will deliver to the Financing Party, concurrently with delivery thereof to Provider, a copy of each notice of default given by Purchaser under this Agreement, inclusive of a reasonable description of Provider default. No such notice will be effective absent delivery to the Financing Party. Purchaser will not mutually agree with Provider to cancel, modify or terminate this Agreement without the written consent of the Financing Party, however, this provision shall not be interpreted to limit any termination rights of either Party as set forth in this Agreement.

(c) **Rights Upon Event of Default.** Notwithstanding any contrary term of this Agreement:

i. The Financing Party shall be entitled to exercise, in the place and stead of Provider, any and all rights and remedies of Provider under this Agreement in accordance with the terms of this Agreement and only in the event of Provider's or Purchaser's default. The Financing Party shall also be entitled to exercise all rights and remedies of secured parties generally with respect to this Agreement and the System.

ii. The Financing Party shall have the right, but not the obligation, to pay all sums due under this Agreement and to perform any other act, duty or obligation required of Provider thereunder or cause to be cured any default of Provider thereunder in the time and manner provided by the terms of this Agreement. Nothing herein requires the Financing Party to cure any default of Provider under this Agreement or (unless the Financing Party has succeeded to Provider's interests under this Agreement) to perform any act, duty or obligation of Provider under this Agreement, but Purchaser hereby gives it the option to do so.

iii. Upon the exercise of remedies under its security interest in the System, including any sale thereof by the Financing Party, whether by judicial proceeding or under any power of sale contained therein, or any conveyance from Provider to the Financing Party (or any assignee of the Financing Party) in lieu thereof, the Financing Party shall give notice to Purchaser of the transferee or assignee of this Agreement. Any such exercise of remedies shall not constitute a default under this Agreement.

iv. Upon any default not reasonably susceptible to cure by a Finance Party, including, without limitation, rejection or other termination of this Agreement pursuant to any process undertaken with respect to Provider under the United States Bankruptcy Code, at the request of the Financing Party made within ninety (90) days of such default, Purchaser shall enter into a new agreement with the Financing Party or its designee having the same terms and conditions as this Agreement.

(d) Right to Cure.

i. Purchaser will not exercise any right to terminate or suspend this Agreement unless it shall have given the Financing Party prior written notice by sending notice to the Financing Party (at the address provided by Provider) of its intent to terminate or suspend this Agreement, specifying the condition giving rise to such right, and the Financing Party shall not have caused to be cured the condition giving rise to the right of termination or suspension within thirty (30) days after such notice or (if longer) the periods provided for in this Agreement. The Parties agree that the cure rights described herein are in addition to and apply and commence following the expiration of any notice and cure period applicable to Provider. The Parties respective obligations will otherwise remain in effect during any cure period; *provided*, if such Provider default reasonably cannot be cured by the Financing Party within such period and the Financing Party commences and continuously pursues cure of such default within such period, such period for cure will be extended for a reasonable period of time under the circumstances, such period not to exceed additional ninety (90) days.

ii. If the Financing Party (including any purchaser or transferee), pursuant to an exercise of remedies by the Financing Party, shall acquire title to or control of Provider's assets and shall, within the time periods described in Sub-section (c)(i). above, cure all defaults under this Agreement existing as of the date of such change in title or control in the manner required by this Agreement and which are capable of cure by a third person or entity, then such person or entity shall no longer be in default under this Agreement, and this Agreement shall continue in full force and effect
