**AN ORDINANCE REPEALING SECTION 6401.2. OF THE SAN MATEO COUNTY  
ORDINANCE CODE (ZONING REGULATIONS) AND ADOPTING A NEW CHAPTER  
22.2 OF THE ZONING REGULATIONS TO REGULATE CHILD CARE CENTERS**

---

The Board of Supervisors of the County of San Mateo, State of California,

**ORDAINS** as follows

**SECTION 1. Findings.** The Board of Supervisors of the County of San Mateo (“County”)

hereby finds and declares as follows:

**WHEREAS**, the County of San Mateo in 1997 adopted an ordinance regulating Large Family Day Care Homes, known as the County General Provisions Relating to Large Family Day Care Homes, numbered as Section 6401.2 of the County Ordinance Code; and

**WHEREAS**, the County’s General Provisions Relating to Large Family Day Care Homes has not been amended since adoption; and

**WHEREAS**, current regulations for various zoning districts and Section 6161(k)1 of the County’s Zoning Regulations (which allows “schools” with a use permit in the R-1, R-2 and R-3 residential zoning districts) require a use permit for child care centers in most cases; and

**WHEREAS**, obtaining a use permit for a child care center would require notice and a public hearing, adding substantial cost and time to the process of opening a child care center; and

**WHEREAS**, since 1997, the legislature of the State of California has enacted additional legislation substantially amending laws pertaining to child care facilities, including increasing the maximum capacity of small and large family day care homes and requiring small and large family day care homes to be treated as a residential use of property for purposes of all local ordinances; and

**WHEREAS**, in November 2017, Sarah Kinahan Consulting for the San Mateo County Office of Education, conducted a county-wide child care needs assessment which identifies a significant shortage of child care services in San Mateo County; and

**WHEREAS**, the proposed amendments to the County Ordinance Code would streamline the permitting process for child care centers, provide incentives to child care center developers and service providers to increase the supply of child care services in the County, and increase the ease of interpretation and implementation of the regulations (the “Child Care Facilities Ordinance”); and

**WHEREAS**, the purpose of both State law pertaining to child care facilities and the County’s Child Care Facilities Ordinance is to incentivize the production of needed child care services, in exchange for relief from use permit requirements for child care centers to be established or expanded under compatible conditions; and

**WHEREAS**, the County has prepared and the Board of Supervisors has adopted an Initial Study and Negative Declaration for this project, consistent with the requirements of the California Environmental Quality Act (“CEQA”) and the CEQA Guidelines, which determined that the proposed zoning text amendments could not have a significant effect on the environment because all potential impacts of the project would be below established CEQA thresholds of significance; and

**WHEREAS**, the County Planning Commission conducted a duly noticed public hearing on March 10, 2021, received public comment, and recommended that the Board of Supervisors adopt the Child Care Facilities Ordinance; and

**WHEREAS**, the ordinance is consistent with the County’s Local Coastal Program; and

**WHEREAS**, the ordinance constitutes an amendment to the Implementation Plan of the Local Coastal Program; and

**WHEREAS**, on adoption by the Board of Supervisors, the ordinance will be submitted to the California Coastal Commission for review and certification; and

**WHEREAS**, the ordinance will ensure that the County’s regulations are consistent with State law, are easier to interpret and implement, and will facilitate and promote the creation of child care services.

**NOW, THEREFORE**, the Board of Supervisors of the County of San Mateo, State of California, ordains as follows:

\* \* \* \* \*

**SECTION 2.** Section 6401.2 of the San Mateo County Ordinance Code is hereby repealed and replaced in its entirety by a new Chapter 22.2 of the Zoning Regulations, as follows:

The following regulations shall apply to all Child Care Centers located in zoning districts where they are allowed.

### **SECTION 6420.1. PURPOSE**

1. Promote and facilitate the provision of infant, toddler, preschool, and school-age child care services in safe and convenient locations (e.g., near housing, workplaces, and regional transit centers) in the unincorporated areas of the County to increase access to child care services for County residents.
2. Ensure child care facilities have the necessary improvements to create safe care environments that are well integrated in their surroundings.
3. Align County regulations pertaining to child care facilities with State regulation.
4. Allow child care centers in certain suitable locations, including institutional (e.g., churches, governmental buildings), commercial, and multiple-family residential sites that are suitably constructed and located to accommodate associated traffic patterns and noise.
5. Streamline the permitting process for child care centers by allowing ministerial permits for child care centers meeting specified criteria.
6. Minimize traffic, parking, and noise impacts of child care facilities to sensitive receptors (e.g., single-family residential uses, hospitals, residential care facilities).
7. Provide incentives, such as density and floor area bonuses and parking exceptions to child care center developers and service providers to increase the supply of child care services in the County.

### **SECTION 6420.2. DEFINITIONS**

For purposes of this Chapter, the following definitions shall apply (Definitions included here are for use in the application of this Chapter only):

1. Accessory Use: A use that is secondary and supportive to the primary use of a property, which is larger in size or intensity.
2. Affiliated Use: Relationship of a Child Care Center to an employment center, residential project, or other use, which is located on the same site, adjacent to, or within 1/4-mile radius of the Child Care Center. A Child Care Center has an affiliation with the employment center, residential project or other use when incentive(s) to use the Child Care Center are provided or will be provided, with the intention of achieving higher enrollment from affiliated uses. Such incentives may be offered by the Child Care Center, the employment center, residential project, or other affiliated use and

may include, but are not limited to, fee reductions to employees or residents to use the Child Care Center. A Child Care Center that is an affiliated use may also be available to the public for enrollment.

9. Gross Floor Area: The sum (in square feet) of the area of each floor level in the building(s) of a facility, including classrooms, assembly rooms, lobbies, and offices that are within the outside faces of exterior walls, for the purpose of calculating required parking. 10. Institutional Building: Building located on properties within an institutional zoning district and/or designated for Institutional Use by the General Plan, and/or containing an institutional primary use, as defined by the County's General Plan, in which such use is located within an existing building. 24. Urban: Properties designated as urban by the County's General Plan and located within the County's Urban Rural Boundary.

### **SECTION 6420.3. SMALL AND LARGE FAMILY CHILD CARE HOMES**

The establishment and operation of a Small or Large Family Child Care Home is permitted in any legal single- or multiple-family residence and does not require a planning permit. A building permit is required for any new construction or remodeling of the structure. Use of a single-family dwelling for the purposes of a Small or Large Family Child Care Home shall not constitute a change of occupancy for purposes of Part 1.5 of Division 13 (State Housing Law), or for purposes of local building and fire codes. A Coastal Development Permit may be required in the Coastal Zone if the facility does not meet the criteria for a Coastal Development Permit Exemption.

### **SECTION 6420.4. PLANNING PERMIT REQUIREMENTS FOR CHILD CARE CENTERS**

#### **SECTION 6420.4.1. CHILD CARE CENTERS ON PUBLIC SCHOOL PROPERTY**

Child Care Centers (CCCs) located on property owned or leased by a public school district are not subject to County Zoning Regulations, if the school district has adopted a resolution exempting the school district from the application of County Zoning Regulations. In the Coastal Zone, such CCCs may require a Coastal Development Permit or Coastal Development Permit Exemption and may require environmental review under the California Environmental Quality Act.

#### **SECTION 6420.4.2. CHILD CARE CENTERS – MINISTERIAL PERMIT CRITERIA AND REQUIREMENTS**

- A. Ministerial Permit Criteria and Requirements: CCCs meeting the following criteria and requirements, as determined by the Community Development Director, are eligible for a ministerial permit.

Access ramps, e.g., for wheelchair or stroller access, shall not be considered alterations to the character of the building.
  - ii. Design review permits shall be processed according to the procedure set forth in Chapter 28.1 of the Zoning Regulations, with the exception of appeals, which shall follow the process outlined in this Section.
  - iii. Appeals: A decision on a Design Review permit is appealable to the Planning Commission; the Planning Commission decision is the final local decision and is not subject to further administrative appeal.

This Section establishes additional criteria which limit the intensity of the Child Care Center use such that it is appropriate and proportional to the size of the parcel and available on-site parking.		

### 3. Parking Requirements:

- a. Required parking spaces may be uncovered or covered. Tandem Parking Spaces count toward required parking.
- b. Space Dimensions: Each parking space must be a minimum of 19 feet long by 9 feet wide

  7. The decision on a permit is not appealable.
  8. Permit renewal is not required.
- C. Existing Child Care Centers: All existing CCCs qualifying for a ministerial permit and currently operating with an approved use permit shall apply for and obtain a ministerial permit upon expiration of their use permit.
- D. Revocation: The Community Development Director, or their designee, may revoke a ministerial permit, pursuant to the process outlined in Section 6505, if: (a) the State facility license is revoked for any reason, or (b) the CCC fails to comply with the requirements of this Chapter, the County-issued permit, or any other County regulation.

c. Within the Coastal Zone, a Coastal Development Permit (CDP) is required.

d. In Design Review Districts:

- i. For new construction or exterior modifications, the facility shall be consistent with applicable design review standards. For CCCs involving the conversion of a single-family residence, design review standards pertaining to residential development shall apply. Access ramps, e.g., for wheelchair or stroller access, shall not be considered alterations to the character of the building.
- ii. Design Review permits shall be processed according to the procedure set forth in Chapter 28.1 of the Zoning Regulations, with the exception of the appeal process which shall follow the process outlined for appeal of a Use Permit in this Section.

3. Play Areas: Play Area requirements of Section 6420.4.2 (Child Care Centers— Ministerial Permit Criteria and Requirements) shall apply.

4. Lighting: All outdoor light sources shall be downward-directed and shielded to confine rays to the site and specific task areas.

## 2 Procedure:

- a. Use Permits shall be processed according to the procedure set forth in Chapter 24 of the Zoning Regulations, with the exception of the appeal process which shall follow the process outlined in this Section. Approval of a Use Permit is subject to the required finding set forth in Chapter 24 of the Zoning Regulations: that the establishment, maintenance and/or conducting of the use will not, under the circumstances of the particular case, result in a significant adverse impact to coastal resources, or be detrimental to the public welfare or injurious to property or improvements in said neighborhood.
- b. Appeals: A decision on a Use Permit for a CCC is appealable to the Planning Commission, which shall be considered the final local decision and may not be appealed. Within the Coastal Zone, the same process

shall apply, except that if the Use Permit is granted, the final local decision is appealable to the California Coastal Commission.

- 3 Revocation: The Community Development Director, or their designee, may revoke a Use Permit, pursuant to the process outlined in Section 6505, if: (a) the State facility license is revoked for any reason, or (b) if the CCC fails to comply with the requirements of this Chapter, the County-issued permit, or any other County regulation.

### **SECTION 6420.5. INCENTIVES FOR THE PROVISION OF CHILD CARE CENTERS**

The County's grant of any of the incentives described in this Section is subject to proposal by the applicant who shall demonstrate compliance with criteria at the time of permit application for the permits outlined in this Chapter. The decision-making authority for the CCC will determine whether criteria are adequately met and, if so, will grant the applicable bonus, concession, or incentives, at the time the permit is approved.

#### **A. State Density Bonus Provisions for CCCs in Effect at the Time of Application:**

When an applicant proposes a project that meets the requirements of the State Density Bonus Law, the County shall follow the provisions of State law to determine the applicable density bonus and additional concession(s) or incentive(s). Examples of projects that qualify under State Law include, but are not limited to: (1) a housing development including a child care facility (Government Code Section 65915(h)) and (2) a minimum 50,000 sq. ft. commercial or industrial development including a child care facility (Section 65917.5).

#### **B. Floor Area Ratio (FAR) Bonus and Parking Waiver for Eligible Employment Centers:**

These incentives apply to development which does not meet the size and use qualifications provided by State Density Bonus Law relating to Child Care Centers installed, operated and maintained in a commercial or industrial project (e.g., Section 65917.5). Projects eligible for a density bonus under the California Government Code are not be eligible for this incentive.

##### **1. Incentives: For CCCs that will be located on the same property as an Eligible Employment Center, the following incentives are available:**

- a. Floor Area Ratio (FAR) Bonus: The FAR of the CCC shall be excluded from the total maximum FAR established by the zoning district; and

- b. 50% Parking Waiver: Required parking shall be calculated as fifty-percent (50%) of the required parking for the Child Care Center as established in this Chapter. Bicycle racks to accommodate parking of 10 bicycles on-site shall be provided.
2. Eligible Employment Center Requirements: An Eligible Employment Center must meet the following requirements to receive the incentives listed above:
- a. The CCC shall meet the definition of an Affiliated Use, as it pertains to an employment center.
  - b. The area designated as a CCC on project plans shall only be used as a CCC and must remain in operation and shall not be reduced in physical size, unless the Planning Commission finds that the need for child care services is no longer present or is not present to the same degree as it was at the time the facility was established. Required parking for the CCC shall be maintained for the life of the CCC.
  - c. The CCC may be, but is not required to be, operated by a private care provider.
  - d. The employer(s) must employ a total or combined minimum of 50 employees.
  - e. The CCC may be, but is not required to be, available to the public for enrollment.
  - f. For employer(s) with fewer than 100 employees, the CCC must serve a minimum of 20 children. For employer(s) with over 100 employees, the CCC must serve a minimum of 40 children. Children served include all children enrolled at the center, including children of employees and non-employees of the employer(s).
  - g. The employer(s) receiving incentive(s) listed above must retain the CCC as an Affiliated Use and promote the use of the center to its employees, including, but not limited to, offering enrollment incentives.
  - h. Employer(s) within the Employment Center may change and be replaced with other businesses meeting the criteria of this Section.
  - i. The above requirements shall be added as permit conditions at the time of project approval.
3. Continuation of CCC Use: If the business(es) of an Employment Center discontinue their operation and are not immediately replaced with business(es) meeting the above criteria, the CCC may continue to operate without providing any additional parking.

C. Density and FAR Bonus and Parking Waiver for Eligible Transit-Oriented Development (TOD):

These incentives apply to Eligible Transit-Oriented Development which does not meet the size and use qualifications provided by State Density Bonus Law. Projects eligible for a density bonus under the California Government Code are not be eligible for these incentives.

1. Incentives: For CCCs that will be located in an Eligible TOD, the following incentives are available:
  - a. Density Bonus: An additional density bonus or density bonuses of 10% of the maximum dwelling units/acre for the site established by the zoning district or land use designation of the General Plan, if no maximum dwelling units/acre is established by the zoning district, whichever is greater. The method for calculating the number of density bonus units shall follow Chapter 22.6, Section 6440.1 (Density Bonus), of the Zoning Regulations.

## **SECTION 6420.6. EXISTING UNPERMITTED FACILITIES**

### **A. Requirement for an After-the-Fact Permit for Child Care Facilities:**

1. Existing CCCs Currently Operating without a Permit. Operators of existing CCCs operating without a permit shall meet the requirements of, apply for, and obtain a permit as specified in this Chapter. Operators of unpermitted CCC(s) shall submit a complete application for such permit, to the satisfaction of the Planning and Building Department, and obtain such permit within one (1) year of the effective date of this Ordinance. Failure to do so may result in referral of the unpermitted facility to the Planning and Building Department's Code Compliance Section, which may result in administrative citations and fines as set in Chapter 1.40 (Administrative Remedies) of the San Mateo County Ordinance Code.

B. Amnesty Program: This Section establishes a streamlined process for existing CCCs that meet the following eligibility criteria. Section 6420.6.B shall sunset one (1) year after the effective date of the Ordinance.

1. Eligibility Criteria: To qualify for the amnesty program, a CCC shall have been in continuous operation at the subject location for a minimum of 3 years prior to the effective date of this Ordinance, as confirmed by State license documentation.

  - a. Conforming facilities are eligible for a ministerial permit, as described in Section 6420.4.2. Conforming facilities are facilities that conform (currently or through permitted modification) to all requirements of Section 6420. Any modifications required to bring the facility into conformance with Section 6420 shall be made a condition of permit approval.

The non-conforming aspects may be granted an exception from requirements of Section 6420 as allowed in the Zoning Regulations. Non-conforming facilities are facilities that cannot be feasibly made to conform (currently or through permitted modification) to the requirements of Section 6420.

On \_\_\_\_\_, the Board repealed the former Section 6401.2. (General Provisions Relating to Large Family Day Care Homes) with this Ordinance (Chapter 22.2). When a discrepancy exists between the permissions, requirements, and procedures outlined in this Chapter and those of an individual zoning district pertaining to Child Care Facilities, the permissions, requirements, and procedures of this Chapter shall apply.

**SECTION 3. Related Zoning Text Amendments.** In addition to adding a new chapter of the Zoning Regulations pertaining to child care centers, the County proposes zoning text amendments to the following chapters of the Zoning Regulations: R-1, R-2, R-3, R-3-A, R-1/CCP, R-E, RM, PC, TPZ, RH, C-2/NFO, M-1/NFO, M-1/Edison/NFO, I/NFO, PC, NMU, NMU-ECR, CMU-1, CMU-2, CMU-3, and COSC, to eliminate now outdated permit requirements for Small and Large Day Care Homes, separate definitions for child care facility types including centers, and separate permit requirements for child care centers.
