*Explain in more detail below why a contract longer than 3 years is in the County's best interest. If this is an amendment, explain how it was determined that the price is still fair and reasonable.*

It would be beneficial for the County of San Mateo to extend the current contract with EVO until construction on the foregoing projects are completed. Changing service providers would reduce efficiency, create discontinuity, and likely increase costs of service provision. The County has been pleased with the level of service, professionalism, and flexibility shown by the vendor. Given the foregoing, an agreement longer than 3 years is in the best interest of the County.
