Subject: County Agreement with the Local Agency Formation Commission Recommendation

RECOMMENDATION:

Adopt a resolution authorizing the President of the Board of Supervisors to execute an agreement with the San Mateo Local Agency Formation Commission for the provision of staffing, office space, and services for Fiscal Year 2018-2019.

BACKGROUND:

The San Mateo Local Agency Formation Commission (LAFCo) is an independent commission consisting of two County Supervisors, two city council members, two special district members, and a public member. Government Code Section 56380 permits LAFCos to independently provide for personnel, office space, supplies, and legal counsel or to contract with another public agency for services. San Mateo LAFCo has contracted for these services with the County of San Mateo since 1996. The LAFCo agreement with San Mateo County includes staffing (Principal Management Analyst serving as the LAFCo Executive Officer, Executive Secretary serving as Commission Clerk, and Deputy County Counsel serving as Legal Counsel), office space, and supplies.

DISCUSSION:

For Fiscal Year 2018-2019, the LAFCo contract amount is \$549,967, which is a not-to-exceed total. The contract amount includes salary and benefits for the LAFCo Executive Officer, a part-time secretarial position, Deputy County Counsel time, office space, and miscellaneous services and supplies. The agreement with the County allows San Mateo LAFCo to provide for staff services, office space, and legal counsel more cost effectively than if it operated in separate facilities and directly hired staff and legal counsel.

Approval of the agreement contributes to the 2025 Shared Vision outcome of a Collaborative Community by continuing the County/LAFCo partnership, which enables the LAFCo to provide a cost-effective program that serves the County, the cities, and the special districts.

County Counsel has reviewed and approved the resolution as to form.

FISCAL IMPACT:

Contract revenues with the cities and the County fund all services provided by LAFCo. LAFCo pays for this agreement with application revenues, fund balance carryover, and inter-agency revenue from County, city, and special district contributions determined by State Law. The County contribution to LAFCo is one-third of the net operating budget. For Fiscal Year 2018-2019, the County share is \$138,517.
