

County of San Mateo

Inter-Departmental Correspondence

Department: PUBLIC WORKS

File #: 22-296

Board Meeting Date: 4/19/2022

Special Notice / Hearing: None
Vote Required: Majority

To: Honorable Board of Supervisors

From: Ann M. Stillman, Interim Director of Public Works

Subject: Annual Certification of County Maintained Road System Mileage (Project No. R3001)

RECOMMENDATION:

Adopt a resolution certifying the mileage in the County of San Mateo's maintained road system to be 316.322 miles as of December 31, 2021.

BACKGROUND:

Section 2121 of the California Streets and Highways Code requires that in May of each year, each county shall report to the California Department of Transportation (Caltrans) "any additions or exclusions from its mileage of maintained county highways." This report typically takes the form of a certification of the total mileage of the County of San Mateo's (County's) maintained road system. The County reported to Caltrans in May 2021 that the total County maintained road system mileage as of December 31, 2020, was 316.157. This Board has adopted similar resolutions directing the reporting of the total number of maintained miles in previous years.

DISCUSSION:

This year, the proposed total County maintained mileage as of December 31, 2021, to be reported to Caltrans in May 2022 is 316.322 miles. There was an addition of 0.165 miles of road into the County's maintained road system during 2021.

Exhibit "A" to the resolution provides the summary of the County of San Mateo Maintained Road Mileage, as of December 31, 2021.

The County of San Mateo is expected to receive \$15,100,000 in gas tax revenue and \$10,800,000 in Road Maintenance and Rehabilitation Account related Senate Bill 1 funding for FY 2021-22. The Department of Public Works uses these funds to maintain the County of San Mateo's road system for the benefit of the traveling public.

County Counsel has reviewed and approved the resolution as to form.

FISCAL IMPACT:

There is no impact to the General Fund. The normal cost for managing the road records annually is approximately \$10,000, which is paid for from the gas tax revenue.
