

County of San Mateo

Inter-Departmental Correspondence

Department: HUMAN SERVICES AGENCY

File #: 16-473

Board Meeting Date: 8/8/2017

Special Notice / Hearing: None
Vote Required: Majority

To: Honorable Board of Supervisors
From: Iliana Rodriguez, Director, Human Services Agency
Subject: Agreement with Daly City Partnership

RECOMMENDATION:

Adopt a resolution authorizing an agreement with Daly City Partnership to provide academic support for youth in San Mateo County for the term of September 1, 2017 through June 30, 2019 in an amount not to exceed \$210,120.

BACKGROUND:

Many youth in San Mateo County struggle to achieve grade-level proficiency for Common Core standards. This is especially true for recent immigrants and their children who become English Language Learners (ELL). Supplemental academic and social support for elementary and middle school youth, especially for ELL children, helps them comfortably integrate English into all subjects.

The Daly City Partnership (DCP) is the only network that provides collaborative efforts between northern San Mateo schools and should be considered a sole source provider.

DCP was formed in 1995 with the mission to promote and facilitate collaborative efforts to ensure that young children and their families have access to the health, education and social services, in order to be successful in school and in life. In 2010, DCP expanded services to include all ages. Its new mission is to guide collaborative efforts and connect the community to services that promote well-being. The shared vision of DCP is to guide collaborative efforts, connect and empower community to learn, grow and achieve a fulfilling life. This community consists of schools, non-profits, city and County groups that rely on DCP's relationships that have served families in northern San Mateo County since 1995.

DISCUSSION:

This agreement with DCP will provide academic and social support to youth in northern San Mateo County. The educational services provided through this agreement will be tailored to meet the needs of the student populations at elementary and middle school sites located in Brisbane, Daly City and South San Francisco. DCP will serve 21 school sites through this agreement for youth in grades

ranging from Kindergarten through Eighth grade.

As DCP is the only network in northern San Mateo County area of schools that can provide the required collaborative efforts between schools, school districts, non-profits and other community-based organizations to implement after-school programming in several school districts. Therefore, HSA is asking that the Board of Supervisors waive the request for proposal process for this agreement.

The resolution contains the County's standard provisions allowing amendments of the County's fiscal obligations by a maximum of \$25,000 (in aggregate).

The agreement and resolution have been reviewed and approved by County Counsel as to form.

Approval of this agreement contributes to the Shared Vision 2025 outcome of a Prosperous Community by providing educational skills that children need to be successful in school and in life through after school and kindergarten readiness services. Additionally, DCP provides multiple events and fairs that connect families to needed resources building a strong community in support of nurturing new leaders.

It is estimated that 1,200 children will be served in academic afterschool programs through this agreement. It is anticipated that as a result of the educational services provided through DCP, that 50% of children receiving services will show an increased growth in literacy as reflected by pre and post testing and parent surveys will show that 85%, or higher, of parents are satisfied with after-school programs.

PERFORMANCE MEASURE:

Measure	FY 2017-18 Projected	FY 2018-19 Projected
Percent of increased growth in literacy as reflected by pre and post testing.	50%	55%
Percent of parent satisfaction in all after school programs based on parent surveys.	85%	90%

FISCAL IMPACT:

The term of this Agreement is September 1, 2017 through June 30, 2019. The amount of this Agreement is \$210,120. Budgetary appropriation for this Agreement is included in the FY 2017-18 and FY 2018-19 Recommended Budgets. This Agreement is funded with Net County Cost.
