

# County of San Mateo

## Inter-Departmental Correspondence

---

**Department:** HEALTH

**File #:** 18-201

Board Meeting Date: 3/13/2018

---

**Special Notice / Hearing:** None  
**Vote Required:** Majority

**To:** Honorable Board of Supervisors

**From:** Louise Rogers, Chief, Health System

David Young, Director, Behavioral Health and Recovery Services

**Subject:** Agreement with City of Redwood City for Alcohol and Other Drug Prevention Services

**RECOMMENDATION:**

Adopt a resolution authorizing an agreement with City of Redwood City for alcohol and other drug prevention services, for the term July 1, 2017 through June 30, 2018, in an amount not to exceed \$150,000.

**BACKGROUND:**

Since July 2008, Behavioral Health and Recovery Services (BHRS) has contracted with the City of Redwood City (City of RWC) to provide alcohol and other drug (AOD) prevention services as part of the RWC 2020 healthy community partnership. These youth- and family-focused services include community capacity building, community education and awareness, and prevention efforts in the Redwood City and North Fair Oaks area.

In January 2017, BHRS issued a Request for Proposals for community-based partnerships to provide AOD substance use prevention services. Community-based partnerships sustain effective AOD prevention efforts in the County's six geographical community service areas (CSA's) as identified by BHRS: 1) Northwest CSA: Daly City, Pacifica, and Colma; 2) Northeast CSA: Brisbane, South San Francisco, San Bruno and Millbrae; 3) Coastside CSA: Half Moon Bay, La Honda, and Pescadero; 4) Central CSA: Burlingame, Hillsborough, San Mateo, Foster City and Belmont; 5) South CSA: San Carlos, Redwood City, Woodside, Atherton, West Menlo Park, and Portola Valley; and 6) East Palo Alto CSA: East Menlo Park and East Palo Alto. These partnerships are cooperative agreements with community stakeholders who are committed to providing a variety of AOD prevention strategies in their community. The City of RWC submitted a proposal and was chosen to provide these services in the South CSA.

**DISCUSSION:**

The City of RWC will continue to be the lead and fiscal agency for the community-based partnership

by: 1) providing AOD related prevention services in the South CSA; 2) collaborating through the partnership to increase community capacity to implement AOD prevention strategies; and 3) continuing to reduce access to and availability of alcohol and other drugs to youth.

This agreement is late due to the contractor's delay in returning the signed agreement and providing current certificates of insurance.

The resolution contains the County's standard provision allowing amendment of the County's fiscal obligations by a maximum of \$25,000 (in aggregate).

The agreement and resolution have been reviewed and approved by County Counsel as to form.

The agreement contributes to the Shared Vision 2025 outcome of a Healthy Community by providing individuals and families with prevention and treatment services such as community capacity building through AOD prevention activities. It is anticipated that 90% of youth program participants who do not identify as AOD users will commit not to initiate use.

**PERFORMANCE MEASURE:**

Measure	FY 2016-17 Actual	FY 2017-18 Projected
Number and percentage of youth program participants who do not identify as AOD users that will commit not to initiate use.	N/A *	90% 90 participants

\* This is a new performance measure, data will be available in FY 2017-18.

**FISCAL IMPACT:**

The term of the agreement is July 1, 2017 through June 30, 2018. The amount of the agreement is not to exceed \$150,000, which is included in the BHRS FY 2017-18 Adopted Budget. Of that amount, 100% will be funded by the Substance Abuse and Prevention Treatment Block Grant. There is no Net County Cost. The payment provisions and levels of service remain essentially the same as those of the prior agreement.
