Inter-Departmental Correspondence

Department: GOVERNING BOARD

File #: 18-127

Board Meeting Date: 2/27/2018

Special Notice / Hearing: Complied with 10 Day Notice and Publication; Special Hearing Required

Vote Required: Majority

To: Honorable Board of Supervisors, Acting as the Governing Board of the Fair Oaks Sewer Maintenance District

From: James C. Porter, Director of Public Works

Subject: Annexation of Property to the Fair Oaks Sewer Maintenance District-Lands of Dibble

RECOMMENDATION:

Acting as the Governing Board of the Fair Oaks Sewer Maintenance District, conduct a public hearing:

- A) Open public hearing
- B) Close public hearing
- C) Adopt a resolution:
 - 1. Ordering the annexation of the Lands of Dibble (156 Bardet Road, Woodside, APN 073-050-170) to the Fair Oaks Sewer Maintenance District; and
 - 2. Directing the Director of Public Works to transmit a copy of the resolution ordering annexation and file maps of said annexation with the appropriate agencies.

BACKGROUND:

The Fair Oaks Sewer Maintenance District (District) entered into an agreement with the Town of Woodside (Town) dated April 2, 1968 for the provision of sewage transmission and disposal through District facilities of wastewater collected by the District for properties within the corporate limits of the Town and the Town's Redwood Creek Main Trunk Sewer and Glens Collection System Assessment District (Assessment District).

Graciela Dibble is the current owner of the property within the Town of Woodside at 156 Bardet Road, which is also identified as Assessor's Parcel Number 073-050-170. She has requested that her property be annexed to the District in order to receive sewer service. A public hearing to consider an

annexation to the District is required pursuant to Section 5820 et. seq. of the Streets and Highways Code.

Your Board adopted Resolution No. 075676 on January 23, 2018, which set 9:00 A.M. on Tuesday, February 27, 2018 in your Chambers as the time and place for a public hearing to consider the annexation of the Lands of Dibble to the District.

DISCUSSION:

The District prepared the attached geographic description (Exhibit A) and plat map (Exhibit B) for the property, and the public hearing to consider the proposed annexation has been properly noticed (Exhibit C). The District is able to provide sewer service to the property as it is one of the properties within the Assessment District that was allocated a portion of the District's sewage treatment capacity. Therefore, we are recommending that the annexation be approved.

County Counsel has reviewed and approved the resolution as to form and the Town has consented to the annexation by adopting their Resolution No. 2017-7181.

Approval of this annexation contributes to the Shared Vision 2025 outcome of a Healthy Community by providing effective sanitary sewer service to a parcel in a suburban area that would otherwise use an "on-site" method to handle wastewater.

FISCAL IMPACT:

The property owner has paid or will pay all required fees for the parcel as follows:

- | | |
|--|---------|
| • Annexation Processing Fee: | \$1,800 |
| • District Connection Fee: | \$4,616 |
| • Plan Review Fee: | \$300 |
| • Sewer Inspection Permit Fee: | \$300 |
| • State Board of Equalization's Recording and Mapping Fee: | \$300 |

If the annexation is approved, the property owner will be subject to the annual sewer service charge levied by the District, which has been set at \$680 for Fiscal Year 2017- 2018. The property owner will construct and pay for the sewer lateral that is necessary to bring sewer service to this property.

There is no impact to the General Fund.
