Subject: Issuance by Redwood City School District of its General Obligation Bonds (Election of 2015) Series 2018

RECOMMENDATION:

Adopt a resolution authorizing the Redwood City School District to issue its General Obligation Bonds (Election of 2015) Series 2018 in an aggregate principal amount not to exceed \$70,000,000 without further action of the County.

BACKGROUND:

The voters in the Redwood City School District ("District") approved by more than fifty-five percent of the voters a school bond measure on November 3, 2015, authorizing the issuance of general obligation bonds in the maximum aggregate principal amount of \$193,000,000 (the "Bond Measure"). To date, the District has issued \$60,000,000 in bonds pursuant to the Bond Measure.

On February 14, 2018, the District's Board of Education authorized the issuance and sale of its "Redwood City School District General Obligation Bonds (Election of 2015), Series 2018" in an aggregate principal amount not to exceed \$70,000,000 (the "Series 2018 Bonds"), and requested that the County Board of Supervisors authorize the District to issue and sell the Series 2018 Bonds on its own behalf, by competitive or negotiated sale.

DISCUSSION:

State law generally provides that the County may issue and sell general obligation bonds on behalf of a school district, but California Government Code §§ 53506 et. seq. and Education Code § 15140(b) also allow the Board of Supervisors to authorize the District to sell and issue bonds directly on its own behalf without further action of the Board of Supervisors or officers of the County.

The District is being assisted by Dannis Woliver Kelley law firm as bond counsel, and KNN Public Finance as financial advisor.

Authorizing the District to issue and sell its own bonds will contribute to the Shared

Vision 2025 outcome of Collaborative Community by supporting fiscal accountability

FISCAL IMPACT:

These bonds are general obligations of the District, and do not constitute an obligation of the County.
No County funds are pledged or obligated to the payment of the bonds
