Kimberlee Kimura, Director, Health Administration

Subject: **Measure K:** Extend the Grant Agreement with the City of Daly City for Exterior Renovation of 350 90th St, Daly City, to Address ADA Compliance Issues

RECOMMENDATION:

Measure K: Adopt a resolution authorizing an amendment to the agreement with the City of Daly City for exterior renovation of 350 90th Street, Daly City, to address ADA compliance issues, extending the term of the grant agreement through June 30, 2018.

BACKGROUND:

On December 6, 2016, your Board approved Resolution 074902 authorizing a one-time \$277,000 grant of district-specific **Measure A** (now known as **Measure K**) funds to the City of Daly City for exterior renovation of 350 90th St., Daly City, to address ADA compliance issues. 350 90th St. has been identified as the future home of the Daly City Youth Health Center (DCYHC), and these ADA-related improvements were required for the DCYHC renovation/construction to proceed. The City of Daly City subsequently signed a grant agreement with the County in order to receive these funds.

DISCUSSION:

The City of Daly City substantially completed the ADA-related repairs by mid-2017. However, due to protracted negotiations on the additional work required, the project was not fully complete until after the original end date of the grant agreement, September 30, 2017. In order to facilitate reimbursement to the City of Daly City, we are asking your Board to approve the extension of the grant agreement term to June 30, 2018.

The amendment and resolution have been reviewed and approved by County Counsel as to form.

The agreement contributes to the Shared Vision 2025 outcome of a Healthy Community by funding necessary improvements to a building that will house DCYHC, the North County's designated youth health center. It is anticipated that 2000 primary care clients will receive care at DCYHC.

PERFORMANCE MEASURE:

Measure	FY 2016-17 Actual	FY 2017-18 Projected
Number of primary care clients receiving care at the DCYHC	1931 clients	2000 clients

FISCAL IMPACT:

There is no fiscal impact associated with this extension of the grant agreement.
