

# County of San Mateo

## Inter-Departmental Correspondence

Department: COUNTY MANAGER

File #: 18-350

Board Meeting Date: 5/8/2018

**Special Notice / Hearing:** None  
**Vote Required:** Majority

**To:** Honorable Board of Supervisors

**From:** John L. Maltbie, County Manager

**Subject:** Use of District-Specific **Measure K** Funds - Supervisorial District 5

### **RECOMMENDATION:**

**Measure K:** Adopt a resolution authorizing a one-time grant of district-specific **Measure K** funds, not to exceed \$5,000, to Bay Area Gardeners Scholarship Foundation for college scholarships and supplies for students facing significant financial barriers, and authorizing the County Manager, or his designee, to prepare and execute the grant agreement.

### **BACKGROUND:**

**Measure K** is the half-cent general sales tax initially approved by San Mateo County voters in November 2012 and extended in November 2016 for a total of thirty years. The Board of Supervisors ("Board") and County staff have conducted study sessions and community outreach efforts to inform priorities for **Measure K** spending for FY2017-19.

On May 16, 2017, the Board approved the FY 2017-19 Measure K allocation plan in which the County anticipates Measure K receipts of approximately \$81.6 million annually. The plan included \$7 million in one-time loans or grants during FY 2017-19, divided equally among the five supervisorial districts, for district-specific needs and projects. District 5 has submitted a request to use its district-specific **Measure K** funds as shown below and described in the Project Summary section of this memorandum:

District/Project	Amount
District 5 (Supervisor David J. Canepa) - Bay Area Gardeners Scholarship Foundation for college scholarships and supplies for students facing significant financial barriers.	\$5,000

This item is consistent with the criteria for district-specific **Measure K** funds, which were developed during the initial round of district-specific allocations and approved by the Board in April 2015.

### **PROJECT SUMMARY:**

This is a request to authorize a grant to Bay Area Gardeners Scholarship Foundation ("BAGSF"), and

resulting grant agreement in an amount not to exceed \$5,000 to provide college scholarships and supplies to students facing significant financial barriers. The County Manager's office will administer and manage the proposed agreement.

Bay Area Gardeners Scholarship Foundation is a non-profit organization committed to providing scholarships and supplies to students facing significant financial barriers to reaching their college goals. BAGSF strives to promote educational attainment for marginalized students residing in the counties of San Francisco, San Mateo and Santa Clara. In addition to supporting students in their pursuit of a post-secondary education, BAGSF's goal is to instill in the recipients a sense of pride and spirit to also give back to their community.

BAGSF will provide the scholarships and chrome notebooks to high school seniors, high school graduates, GED recipients, and students already enrolled in a college or university.

BAGSF scholarships focus on applicants who display:

- **Financial Need:** Scholarships support students with significant financial barriers to fulfill their higher education goals.
- **Community Involvement:** Students must perform community involvement by volunteering and completing 25 hours at a local non-profit organization.
- **Academic Achievement:** Academic performance demonstrates the hard work applicants exert in an effort to achieve their college goals.

In January, schools, counselors and nonprofits serving the community are notified of the application process. Students must supply their family income statement, two letters of recommendation, one essay about their life challenges, grade transcripts, proof of college acceptance, and proof of 25 hours of community service. The applications are due in early May. Awardees must also commit to five hours of volunteer time for BAGSF.

In July of each year, BAGSF hosts the award dinner for scholarship recipients and their families.

Funding for the BAGSF scholarship program is also provided by Wells Fargo, Voler Strategic Advisors, Union Bank, Chavez Supermarket, Latino Community Foundation, Lyngso, Wegmans, Dr. Chicchon Fremont Smile, and Alauimia Med Spa, in addition to individual donors.

Measure K funds of \$5,000 would help pay for two scholarships (each scholarship is for \$2,000) and four chrome notebooks.
