The City and County of San Francisco has been designated to serve as the Fiscal Agent for UASI funds granted by the Department of Homeland Security (DHS) through the California Office of Emergency Services (Cal OES).

As with the FY 2017 UASI goal, FY 2018 UASI grant funding is intended to build and enhance regional capabilities across a larger geographical area. Funding is based on evaluated risk and need. This is accomplished through the submission of regional investment justifications that address specific needs to meet the target capabilities outlined in the National Preparedness Strategy.
