

# County of San Mateo

## Inter-Departmental Correspondence

---

**Department:** HEALTH

**File #:** 19-354

Board Meeting Date: 4/23/2019

---

**Special Notice / Hearing:** None  
**Vote Required:** Majority

**To:** Honorable Board of Supervisors

**From:** Louise F. Rogers, Chief, San Mateo County Health  
Chester J. Kunnappilly, MD, Chief Executive Officer, San Mateo Medical Center

**Subject:** Agreement with Michael Siegel, MD to Provide Neurology Services

**RECOMMENDATION:**

Adopt a resolution authorizing an agreement with Michael Siegel, MD to provide neurology services for the term April 1, 2019 through March 31, 2022, for an amount not to exceed \$720,000.

**BACKGROUND:**

Neurology is a non-surgical specialty area that addresses many of the root causes for neurological disorders, nerve damage and pain, and serves as a basis for differential diagnoses in most core medical specialty areas. Dr. Siegel has provided neurology services at San Mateo Medical Center (SMMC) for many years, offering SMMC the benefits of an experienced practitioner familiar with the complex nature of the County patient base.

**DISCUSSION:**

SMMC has a continuous need for these services and Dr. Siegel will continue to provide neurology clinic services, test interpretation, and call coverage. Dr. Siegel works with another neurologist, Dr. Howard Belfer, to provide 24/7 call coverage for SMMC neurology patients.

County Administrative Memorandum B-1 provides that contracts for physicians are exempt from the Request for Proposals process.

The agreement and resolution have been reviewed and approved by County Counsel as to form.

The resolution contains the County's standard provisions allowing amendment of the County fiscal obligations by a maximum of \$25,000 (in aggregate).

The agreement contributes to the Shared Vision 2025 outcome of a Healthy Community by providing basic neurology services to SMMC patients. It is anticipated that all electroencephalograms (EEGs)

will be read and interpreted within 24 hours of administration.

**PERFORMANCE MEASURE:**

<b>Measure</b>	<b>FY 2018-19 Estimated</b>	<b>FY 2019-20 Projected</b>
Percentage of EEGs read and interpreted within 24 hours of administration	90%	100%

**FISCAL IMPACT:**

The term of the agreement is April 1, 2019 through March 31, 2022. The amount of the agreement is not to exceed \$720,000 for the three-year term. Funds in the amount of \$60,000 are included in the SMMC FY 2018-19 Adopted Budget. Funds in the amount of \$220,000 will be included in the SMMC FY 2019-20 Recommended Budget. Similar arrangements will be made for future years.

This contract's payment provisions differ from that of the previous contract. Specifically, there is a 7% increase in compensation per year, due to increased rates published in the 2018 Medical Group Management Association's Provider Compensation and Production Survey, a tool SMMC uses to benchmark physician contract compensation.

Expenses at SMMC are covered by fees for services or third-party payors whenever possible. The portion of expenses for services provided to the medically indigent or to those covered by programs that do not meet the full costs of care are covered by the County's General Fund contribution to SMMC and are within the existing annual appropriation.
