Subject: Agreement with San Mateo Consolidated Fire Department

RECOMMENDATION:

Adopt a resolution authorizing an agreement with San Mateo Consolidated Fire Department for fire prevention services in the Sheriff's Office Homeland Security Division and Office of Emergency Services for the term of July 1, 2019 through June 30, 2020, in an amount not to exceed \$334,696.

BACKGROUND:

The Homeland Security Division and Office of Emergency Services (HSD/OES) serves a population of over 700,000 residents. The HSD/OES division coordinates activities to mitigate, prepare for, respond to, and recover from disasters and offers effective planning, training, and coordination to continually develop the mitigation, preparedness, and response and recovery capabilities for emergencies resulting from all hazards.

To meet the expectations of a safer County through effective partnerships, the Police and Fire Chiefs Associations requested a full-time Fire Battalion Chief be assigned to the Homeland Security Division.

DISCUSSION:

The department assigned Fire Battalion Chief would offer significant benefit to the Operational Area such as assisting in planning, developing, implementing, and administering Countywide policies and programs related to emergency management, serving as a liaison to San Mateo County Fire Chiefs, including County Fire Chiefs sub-groups consisting of operations and training, as well as the San Mateo County Emergency Managers Association and other entities involved in emergency preparedness and planning efforts; assisting in developing, coordinating and leading emergency management training, participating in coordination and evaluation of emergency operation drills and training, assisting in making recommendations for improvement in operations and/or responses, participating in developing, updating, and maintaining Emergency Management plans, reviewing policies and programs, ensuring collaboration concurrence with local stakeholders, representing the

Cal Fire and Municipal Fire Chiefs in grant project management, and community events and meetings. The Battalion Chief will not be an OES full time employee. Instead the Battalion Chief will remain an employee of the participating fire department assigned to OES. Both the Fire Chiefs and Police Chiefs Associations are in full support of this partnership to enhance HSD/OES and ultimately the communities served.

This resolution and agreement have been reviewed and approved as to form by County Counsel.

The agreement contributes to the Shared Vision 2025 outcome of a Collaborative Community by the coordination of the agencies within the County to ensure that the public's safety as well as that of first responders is met in a responsible and timely manner.
