Subject: Agreement with BHC Fremont Hospital, Inc. dba Fremont Hospital for Psychiatric Inpatient Hospital Services

RECOMMENDATION:

Adopt a resolution authorizing an agreement with BHC Fremont Hospital, Inc. dba Fremont Hospital for psychiatric inpatient hospital services for the term of July 1, 2019 through June 30, 2021, in an amount not to exceed \$2,024,736.

BACKGROUND:

Since 2000, the County has contracted with Mills Peninsula Hospital and John Muir Behavioral Health Center for psychiatric inpatient hospital services in the northern part of the County. Behavioral Health and Recovery Services (BHRS) would like to enter into an agreement with BHC Fremont Hospital, Inc. dba Fremont Hospital (BHC Fremont) to accommodate the southern part of the County for emergency admissions and/or when the San Mateo Medical Center is full.

Under the B-1 Administrative Memorandum, the selection of providers delivering inpatient psychiatric hospital services for mental health clients is exempt from the Request for Proposals requirement. In order to improve service capacity, BHRS may contract for psychiatric inpatient hospital services with any willing qualified provider.

DISCUSSION:

The agreement with BHC Fremont is based on fee-for-service rates, which include psychiatric inpatient hospital services for Medi-Cal-covered youth and adults, as well as psychiatric inpatient hospital services for uninsured youth and adults. Administrative Day rates, which are set by the State, are also included. Only services authorized by BHRS will be paid.

The resolution contains the County's standard provisions allowing amendments of the County's fiscal obligation by a maximum of \$25,000 (in aggregate).

The agreement and resolution have been reviewed and approved by County Counsel as to form.

This agreement is coming to your Board late due to rate negotiations.

Approval of this agreement contributes to the Shared Vision 2025 outcome of a Healthy Community by providing inpatient psychiatric hospital services for youth and adults. It is anticipated that no more than 12 percent of clients who receive psychiatric inpatient hospital services will be re-admitted within 30 days of discharge.

PERFORMANCE MEASURE:

Measure	FY 2019-20 Estimated	FY 2020-21 Projected
Percentage of clients who are re-admitted within 30 days of discharge.	12% 30 Clients	12% 30 Clients

FISCAL IMPACT:

The term of the agreement is July 1, 2019 through June 30, 2021. The amount of the agreement is not to exceed \$2,024,736, for the two-year term. Funds in the amount of \$1,012,368 have been included in BHRS FY 2019-20 Recommended Budget. Of that amount, it is anticipated that 100 percent will be funded from the 1991 Realignment. Similar arrangements will be made for future years.
