Subject: Agreement with the Enneagram Prison Project

RECOMMENDATION:

Adopt a resolution authorizing an agreement with the Enneagram Prison Project within the County's correctional facilities for the term of July 1, 2019 through June 30, 2020 in an amount not to exceed \$175,000.

BACKGROUND:

The Enneagram Prison Project (EPP) teaches inmates the Enneagram system including all nine personality styles. EPP teaches inmates to identify, observe, and self-regulate their behavioral and emotional patterns, thereby increasing their ability to make conscious, positive changes and choices during their incarceration and upon release.

DISCUSSION:

The County has contracted with EPP for these services since 2015. The increase in the contract reflects the increase in the number of inmates eligible to be served in the adult correctional facilities. EPP has demonstrated its success in reaching inmates' needs by attaining a performance measure of at least 90% of participants who agree or strongly agree that their class participation has helped them in developing self-awareness.

EPP has a unique ability to provide services to inmates by utilizing proven curricula for inmates at a reasonable cost. Therefore, it is in the best interest of the County to waive the Request for Proposals process and continue to contract with the EPP on the basis of being a sole source provider of the teaching of the Enneagram model to the incarcerated population in the County of San Mateo.

The Contractor has assured compliance with the County's Contractor Employee Jury Service Ordinance, as well as all other contract provisions that are required by County ordinance and administrative memoranda, including but not limited to insurance, hold harmless, nondiscrimination and equal benefits.

The agreement and the resolution have been reviewed and approved by County Counsel as to form.

Approval of this Agreement contributes to the Shared Vision 2025 outcome of Safe Neighborhoods by providing educational programs to inmates in order to promote personal growth and development as well as seek worthy goals upon their release.

PERFORMANCE MEASURE:

Measure	FY 2018-2019 Actual	FY 2019-2020 Projected
Number of inmates enrolled in the Enneagram Prison Project class (includes multiple enrollments)	291	250
Percent of inmates who "Agree or Strongly Agree" with the statement: "I have an understanding of how my Enneagram type structure contributed to my incarceration"	93%	90%

FISCAL IMPACT:

The Agreement is for a twelve-month term commencing July 1, 2019 through June 30, 2020 for an amount not to exceed \$175,000. There is no Net County Cost associated with this agreement, as it is paid for from AB109 funds.
