Subject: Amendment to the Agreement with David McIntyre for the Provision of Mental Evaluation Services for Youth

RECOMMENDATION:

Adopt a resolution authorizing an amendment to the agreement with David McIntyre for the provision of assessment, psychological testing and evaluation services for youth, increasing the amount by \$172,208, to an amount not to exceed \$272,208 with no change to the agreement term.

BACKGROUND:

In April 2007, Mental Health Services issued an RFP for youth assessment services. No proposals were received for these services. David McIntyre was subsequently identified by staff as the only known qualified provider of these services.

On June 11, 2019, the Director of Behavioral Health and Recovery Services (BHRS) approved an agreement with David McIntyre for assessment and testimony on selected special education cases, for the term of July 1, 2019 through June 30, 2021, in an amount not to exceed \$100,000.

DISCUSSION:

David McIntyre will provide psychological assessments for special education youth referred for mental health services under Chapter 26.5 of the Government Code. Services will also include psychological testing and evaluations for youth in the juvenile justice system; assessments and testimony in selected cases requiring mediation and/or fair hearings; and clinical supervision of clinical psychology interns. These services were previously provided by two contractors, David McIntyre and Bess Bruce, but Bess Bruce recently retired. The amendment is necessary so that David McIntyre can take over the role fully and continue to provide these services.

BHRS is requesting to waive the Request for Proposal process until June 30, 2021, in order to provide continuity of current services and prepare for an RFP for these services in FY 2021-22.

The resolution contains the County's standard provision allowing amendment of the County's fiscal obligations by a maximum of \$25,000 (in aggregate).

The amendment and resolution have been reviewed and approved by County Counsel as to form.

It is anticipated that 100% of assessments will be completed by the dates set by the referring juvenile court or probation officer.

PERFORMANCE MEASURE:

Measure	FY 2019-20 Estimated	FY 2020-21 Projected
Percentage of assessments completed by the dates set by the referring juvenile court or probation officer	*	100%

*This is a new measure

FISCAL IMPACT:

The term of the agreement is July 1, 2019 through June 30, 2022. The amount of the amended agreement is not to exceed \$272,208. The amendment increases the contract maximum by \$172,208. Of that amount, \$68,883 will be funded by Realignment, \$86,104 will be funded by Federal Financial Participation and \$17,221 will be funded by Net County Cost. \$117,108 is included in the BHRS FY 2019-2020 Adopted Budget. Similar arrangements will be made for future years.
