Subject: Agreement with the City of San Carlos for Law Enforcement Services provided by the Sheriff's Office

RECOMMENDATION:

Adopt a resolution authorizing an agreement with the City of San Carlos to receive law enforcement services provided by the Sheriff's Office for a term commencing July 1, 2020 through June 30, 2025, with reimbursement to the County for FY 2020-21 in the amount of \$9,270,076 with an option to increase by an additional \$50,000 for DUI services.

BACKGROUND:

The Sheriff's Office has provided contract law enforcement services to the City of San Carlos for approximately ten years. Contracting with the Sheriff's Office has proved to be both a cost effective and efficient option for the City; and City management has expressed their desire to continue contracting with the County for these services. The current contract is set to expire on June 30, 2020.

DISCUSSION:

City management has expressed their desire to continue contracting with the County for the provision of law enforcement services and enter into a new five-year agreement beginning July 1, 2020 through June 30, 2025.

As with the previous agreement, services include: basic police patrol, traffic enforcement, crime investigations, and crime prevention services. Direct and indirect costs associated with delivering these services are also included. On an annual basis during the term of the contract, the Sheriff's Office will meet with the City of San Carlos to evaluate the contract and determine if there are any amendments necessary to address a change in costs, fees or services.

County Counsel has reviewed and approved the resolution and agreement as to form.

FISCAL IMPACT:

This agreement is for a five-year term commencing July 1, 2020 through June 30, 2025, with reimbursement to the County in the amount of \$9,270,076 for services provided in FY 2020-21 with an option to increase by an additional \$50,000 for DUI services. Reimbursement for this contract has

been included in the Sheriff's Office FY 2020-21 budget.
