Subject: Master Salary Resolution for Fiscal Year 2019-2020

RECOMMENDATION:

Adopt the Master Salary Resolution for FY 2020-21, specifying the number of and providing compensation and benefits for persons employed by the County of San Mateo, setting appropriate rules and regulations and repealing all inconsistent resolutions.

BACKGROUND:

On February 24, 2015 your Board adopted Ordinance 04733 which allowed that a resolution establish the number of all appointed County officers and employees and their compensation and benefits. The resolution is the base document identifying the number of authorized positions and classifications for all County jobs. It also establishes the compensation and certain benefits other than base pay for County officers and employees. Base pay and other compensation is established by resolution for each employee group and is listed herein as the amount paid for each bi-weekly pay period for information only.

Each year, following budget hearings, your Board adopts the annual Master Salary Resolution that enacts the decisions made by the Board concerning the number of positions in the County service. Throughout the year salary resolution amendments indicate changes in positions and the compensation established herein that occur in the various operating departments.

DISCUSSION:

The total number of positions authorized by your Board for FY 2020-2021 is 5,755. This number includes positions authorized for the County Free Library System, the First 5 Commission, Retirement (SamCERA) and LAFCO.
