Subject: Agreements with the City and County of San Francisco Mayor's Office of Housing and Community Development for Housing and Related Services

RECOMMENDATION:

Adopt a resolution authorizing two agreements with the City and County of San Francisco Mayor's Office of Housing and Community Development for funding to provide housing and related services to persons with HIV/AIDS for the term of July 1, 2020 through June 30, 2021, in an amount not to exceed \$930,244.

BACKGROUND:

The Public Health STD/HIV Program (SMSh) provides housing and related services to San Mateo County residents affected by HIV/AIDS. Funding for these services comes from the Department of Housing and Urban Development, which allocates funding for the Housing Opportunities for Persons with AIDS Program. These funds are administered by the San Francisco Eligible Metropolitan Area: The City and County of San Francisco Mayor's Office of Housing and Community Development (SFMHCD).

DISCUSSION:

Most of the funding received under these two agreements (\$770,683) will be used to contract with a provider of housing services for short-term rent, mortgage assistance, and case management services. A small amount of the grant (\$159,561) will offset the cost of two FTE Benefits Counselor positions, providing services at SMSh. These agreements are late due to delays from the federal government in releasing funding amounts to SFMHCD.

The resolution contains the County's standard provisions allowing amendment of the County's fiscal obligations by a maximum of \$25,000 (in aggregate).

The agreements and resolution have been reviewed and approved by County Counsel as to form.

It is anticipated that these services will enable 95% of clients receiving housing assistance services to maintain or improve their quality of life.

PERFORMANCE MEASURE:

Measure	FY 2019-20 Actual	FY 2020-21 Projected
Percentage of clients receiving housing assistance services that maintain or improve their quality of life	95% 125 clients	95% 125 clients

FISCAL IMPACT:

The term of both agreements is July 1, 2020 through June 30, 2021. The combined amount of the agreements is not to exceed \$930,244 for the contract term. These funds are included in the Public Health, Policy, and Planning FY 2020-21 Recommended Budget. Since the County is receiving these grant funds from SFMHCD, there is no Net County Cost associated with these agreements.
