

County of San Mateo

Inter-Departmental Correspondence

Department: HEALTH

File #: 20-733

Board Meeting Date: 9/29/2020

Special Notice / Hearing: None
Vote Required: Majority

To: Honorable Board of Supervisors

From: Louise F. Rogers, Chief, San Mateo County Health
Cassius Lockett, Director, Public Health, Policy, and Planning

Subject: Acceptance of Award from the City and County of San Francisco Department of Public Health to Provide HIV/AIDS Health Services

RECOMMENDATION:

Adopt a resolution authorizing the acceptance of an award of Ryan White A funding from the City and County of San Francisco Department of Public Health to provide HIV/AIDS health services, for the term of March 1, 2020 through February 28, 2021, in an amount not to exceed \$1,429,027

BACKGROUND:

The Ryan White Treatment Modernization Act of 1990 (CARE) provides funding to eligible metropolitan areas (EMA) that are disproportionately affected by HIV/AIDS. EMAs utilize this funding for the development, organization, coordination, and operation of more effective and cost-efficient systems that deliver essential services to HIV/AIDS-affected individuals and their families. Funding comes to the San Mateo Public Health STD/HIV Program (SMSPH) through an agreement with the Bay Area EMA's fiscal agent, the City and County of San Francisco (CCSF).

DISCUSSION:

SMSPH utilizes for Ryan White grant funds to provide a continuum of services which include outpatient ambulatory medical care, medical case management, housing assistance, outpatient and residential drug treatment, oral care, mental health, a food program, laboratory costs, and medical supplies.

This agreement comes to the board late due to delays from the federal government in releasing funds to CCSF.

The resolution contains the County's standard provisions allowing amendment of the County's fiscal obligations by a maximum of \$25,000 (in aggregate).

The agreement and resolution have been reviewed and approved by County Counsel as to form.

It is anticipated that the viral load of 90% of clients receiving services will decrease or remain undetectable as a result of the medical and psycho-social services received.

PERFORMANCE MEASURE:

| | FY 2019-20 Actual | FY 2020-21 Projected |
|--|--------------------------|-----------------------------|
| Percentage of clients whose viral load will decrease or remain undetectable as a result of the medical and psycho-social services received | 90% 428 clients | 90% 428 clients |

FISCAL IMPACT:

The term of the agreement is March 1, 2020 through February 28, 2021. The amount of the agreement is not to exceed \$1,429,027. Funds in the amount of \$476,342 are included in the Public Health, Policy, and Planning (PHPP) FY 2019-20 Adopted Budget. Funds in the amount of \$952,685 will be included in the PHPP FY 2020-21 Recommended Budget. Since the County is receiving these funds, there is no Net County Cost associated with this agreement.
