Department: GOVERNING BOARD

File #: 21-325

Board Meeting Date: 4/20/2021

Special Notice / Hearing: None
Vote Required: Majority

To: Honorable Board of Supervisors

From: James C. Porter, Department of Public Works

Subject: Establishment of a “No Parking During Specified Hours of 9:00 PM to 6:00 AM, Monday through Sunday” Zone on Olympic Way, in Unincorporated Daly City

RECOMMENDATION:

Adopt a resolution authorizing the establishment of a “No Parking during Specified Hours from 9:00 PM to 6:00 AM, Monday through Sunday” zone on Olympic Way in unincorporated Daly City.

BACKGROUND:

This Board has adopted similar resolutions designating parking restrictions.

Section 22507 et al. of the California Vehicle Code and Section 7.32.010 of the County of San Mateo Ordinance Code provides that local authorities may prohibit or restrict the stopping, parking or standing of vehicles by resolution or ordinance.

The Department of Public Works (Department) received a request to address illegal dumping and improve line of sight distance along this curve of Olympic Way in unincorporated Daly City

DISCUSSION:

The Department evaluated the request, surveyed the residents, and determined that the proposed parking restriction along Olympic Way would benefit the community, address the refuse issue, improve sight distance along the curve, and will be consistent with the existing parking restrictions by the City of Daly City. The Department recommends adoption of a resolution to restrict parking at this location.

Property owners on adjacent blocks, extending a minimum of 300 feet from the proposed parking zone location, were notified of the date and time of this Board’s meeting when this item will be considered. Comments received to date are in favor of this change and are summarized in Attachment “A”.

The location of parking zones and other traffic restrictions on County-maintained streets are currently

shown on maps in the Department of Public Works' office and will be made available in list form on maps on the Department's website. The master list will be updated to reflect the recommended changes, if this Board approves the proposed resolution.

County Counsel has reviewed and approved the resolution as to form.

FISCAL IMPACT:

The cost of installing signs and painting parking zone markings averages approximately \$550 per parking zone. Eight signs would be installed for a total \$4,400. Costs are included in the FY 2020-21 Adopted Budget. There is no impact to the General Fund.
