

County of San Mateo

Inter-Departmental Correspondence

Department: PUBLIC WORKS

File #: 21-977

Board Meeting Date: 12/7/2021

Special Notice / Hearing: None
Vote Required: Majority

To: Honorable Board of Supervisors
From: Ann M. Stillman, Interim Director, Department of Public Works
Subject: Establishment of "No Parking" Zones on Vermont Avenue and North Lake Street, Unincorporated Moss Beach

RECOMMENDATION:

Adopt a resolution authorizing the establishment of "No Parking" zones on Vermont Avenue and North Lake Street in unincorporated Moss Beach.

BACKGROUND:

This Board has adopted similar resolutions designating parking restrictions.

Section 22507 et al. of the California Vehicle Code and Section 7.30.010 of the San Mateo County Ordinance Code provides that local authorities may prohibit or restrict the stopping, parking or standing of vehicles by resolution or ordinance.

In reviewing the parking resolutions/ordinances, staff was unable to locate a resolution restricting parking on North Lake Street and/or Vermont Ave, however, there are existing "No Parking" zones posted along both sides of North Lake Street and Vermont Avenue in the vicinity of Virginia Avenue. The proposed parking restriction is to recognize these parking restriction zones.

DISCUSSION:

The Department recommends adoption of a resolution to recognize the existing "No Parking" zones on North Lake Street and Vermont Avenue, as shown in Attachment A. These parking restrictions were installed due to the limited visibility at intersections, the curvature of the road, and the narrow width of the paved surface areas on both roads.

The location of parking zones and other traffic restrictions on County-maintained streets are currently shown on maps in the Department's office and website and will be made available in list form on the Department's website. The master list will be updated to reflect the recommended changes, should this Board approve the proposed resolution.

County Counsel has reviewed and approved the resolution as to form.

FISCAL IMPACT:

There is no impact to the General Fund.
