

# County of San Mateo

## Inter-Departmental Correspondence

---

**Department:** INFORMATION SERVICES

**File #:** 22-586

Board Meeting Date: 7/26/2022

---

**Special Notice / Hearing:** None  
**Vote Required:** Majority

**To:** Honorable Board of Supervisors  
**From:** Michael Wentworth, Chief Information Officer, Information Services Department  
**Subject:** Amendment Number 2 to the Agreement with Motorola, Inc. to provide lifecycle sustainment and maintenance services for the County's public safety communications system

### **RECOMMENDATION:**

Adopt a resolution authorizing an amendment to the agreement with Motorola, Inc. to provide lifecycle sustainment and maintenance services for the County's public safety communications system, extending the term through June 30, 2024, and increasing the agreement amount by \$1,861,655.06, in an amount not to exceed \$3,707,620.06.

### **BACKGROUND:**

On December 3, 2019, the Board of Supervisors approved Resolution Number 077064 and the County entered into an Agreement Number 18000-20-R077064A with Motorola, Inc. to provide lifecycle sustainment and maintenance services for the public safety communications system used throughout the County for law enforcement and emergency services. This agreement included the ability to extend the services for additional periods at a level cost throughout the entire lifecycle of the engagement.

On April 20, 2022, Amendment Number 1 was executed for a revised term of July 1, 2020, through June 30, 2022.

The Information Services Department (ISD) has conducted a thorough operational audit of services included in this agreement and has determined that the most appropriate course of action would be to request that your Board authorize an amendment to the agreement with Motorola, Inc.

### **DISCUSSION:**

ISD hereby requests waiving the Request for Proposal (RFP) process as Motorola, Inc. is the only vendor that can provide the lifecycle sustainment and maintenance services. The digital, state of the art, radio communications system cannot be support by any other organization, nor does Motorola, Inc. offer such services through resellers.

The County Attorney's Office has reviewed and approved the amendment and resolution as to both

form and content.

The resolution contains the County's standard provisions allowing amendment of the County's fiscal obligations by a maximum of \$25,000 (in aggregate).

County Contract Compliance Committee has reviewed and approved the three (3) year waiver request allowing Motorola, Inc. to continue providing services beyond the County's three (3) year contract term limit.

Approval of this amendment will contribute to the performance measure by cost effectively upgrading the County's radio communications system.

**Performance Measure:**

<b>Measure</b>	<b>FY 2019-20 Actual</b>	<b>FY 2020-21 Projected</b>
Number of incidents responded to by the Office of Emergency Services	48	50

**FISCAL IMPACT:**

The new term of this agreement is from July 1, 2020 through June 30, 2024 for a new total not to exceed amount of \$3,707,620.06. Funding for this agreement is appropriated as Proposition 172 statewide half-cent sales tax revenues in ISD's Fiscal Year 2022-23 Recommended Budget and will be included in future fiscal years.
