

# County of San Mateo

## Inter-Departmental Correspondence

**Department:** BOARD OF SUPERVISORS  
**DISTRICT 5**  
**File #:** 22-531

Board Meeting Date: 7/12/2022

**Special Notice / Hearing:** None  
**Vote Required:** Majority

**To:** Honorable Board of Supervisors  
**From:** Michael P. Callagy, County Executive  
**Subject:** Use of District-Discretionary **Measure K** Funds - Supervisorial District 5

### **RECOMMENDATION:**

**Measure K:** Adopt a resolution authorizing a one-time grant of district-discretionary **Measure K** funds, not to exceed \$150,000, to San Mateo County Health Foundation to support the Caring Hands program, and authorizing the County Executive, or designee, to execute the grant agreement.

### **BACKGROUND:**

**Measure K** is the half-cent general sales tax initially approved by San Mateo County voters in November 2012 and extended in November 2016 for a total of thirty years.

On March 9, 2021, and March 23, 2021, the Board of Supervisors (Board) held study sessions on **Measure K** expenditures and anticipated revenue for fiscal years (FY) 2021-23. The Board-appointed **Measure K** sub-committee, consisting of Supervisor Pine and Supervisor Canepa, convened the study sessions to, among other things, work with staff to facilitate the Board's development of **Measure K** priorities and continuing initiatives for FYs 2021-23. The Board approved \$5 million in one-time loans or grants for the FY 2021-23 budget cycle, divided equally among the five supervisorial districts, for district-discretionary needs and projects. District 5 has submitted a request to use their district-discretionary **Measure K** funds as shown below and described in the Project Summary section of this memorandum:

District/Project	Amount
District 5 (Supervisor Canepa) - San Mateo County Health Foundation: Caring Hands Program	\$150,000

This item is consistent with the criteria for district-discretionary **Measure K** funds approved by the Board in December 2018.

## **PROJECT SUMMARY:**

This is a request to authorize a grant to the San Mateo County Health Foundation (Foundation), and resulting grant agreement, in an amount not to exceed \$150,000, to support the Caring Hands program. The County Executive's Office will administer and manage the proposed agreement.

The San Mateo County Health Foundation exists to promote and champion the health and well-being of all residents of our community, regardless of ability to pay, primarily through supporting excellence and innovation in the County's hospital and clinic system. The Foundation's "Caring Hands" program seeks to serve the most vulnerable patients who are impacted by the extremely high cost of living in the County.

The Caring Hands program allows a San Mateo Medical Center healthcare provider to submit an application to the Foundation on behalf of a patient/caregiver. The Foundation provides up to \$500 to qualified recipients for basic needs such as prescription drug copays; insurance premiums and deductibles; other out-of-pocket expenses related to or directly caused by a medical issue including but not limited to strollers, groceries, warm clothing, diapers, and baby formula. In addition, the Foundation provides up to \$1,500 for housing expenses to those in dire need or those with children and elderly in the home.

All Caring Hands program recipients constitute a "charitable class" (e.g., individuals facing economic hardship or children) and meet the program eligibility requirements, which are specific to the Foundation's cause and work to identify individuals most in need of assistance. The program eligibility requirements include:

- Recipient must be a patient or patient guardian of San Mateo County Health facilities
- Recipient must live in San Mateo County
- Recipient must be referred by San Mateo Medical Center or clinic healthcare provider who has attested to the needs of the patient or patient guardian

The proposed **Measure K** grant will support the Foundation's Caring Hands program and provide financial assistance to at least 100 eligible patients/caregivers over the next two years.

### **Total Measure K Request: Not to Exceed \$150,000**

The release of funds will be contingent on the execution of an agreement providing for the County's confirmation of the expenditure of funds for the purposes stated herein. The County will disburse the funds to the following organization for the purposes described above:

San Mateo County Health Foundation

222 West 39th Avenue San Mateo, CA 94403
