**Special Notice / Hearing:** None  
**Vote Required:** Majority

**To:** Honorable Board of Supervisors

**From:** Louise F. Rogers, Chief, San Mateo County Health  
Lisa Mancini, Interim Director, Behavioral Health and Recovery Services

**Subject:** Amendment to the Agreement with Tamar Meidav, M.D. for Psychiatry Services

**RECOMMENDATION:**

Adopt a resolution authorizing an amendment to the agreement with Tamar Meidav, M.D. for psychiatry services, increasing the Agreement maximum by \$139,812 to an amount not to exceed \$759,288.

**BACKGROUND:**

Dr. Meidav has been a contracted child psychiatrist for Behavioral Health and Recovery Services (BHRS) since 2003, providing services at various County mental health clinics. Services include child and youth medication evaluation and treatment, psychotherapy and family consultation, residency training, and case consultation to staff. In July 2022 this Board approved an agreement with Dr. Meidav to provide psychiatry services for the term July 1, 2022, through June 30, 2025, in the amount of \$619,476.

**DISCUSSION:**

Compensation for BHRS contracted physicians has been equivalent to compensation for County employed physicians, whose rates are determined through negotiated Memoranda of Understanding (MOU) with the Union of American Physicians and Dentists (UAPD). When the current agreement with Dr. Meidav was being negotiated, the County was also negotiating a new MOU with UAPD. The agreement with Dr. Meidav included a stipulation that the contracted rate of compensation would be adjusted to maintain equivalency with a new UAPD MOU rate. The new MOU is now in place and this amendment provides Dr. Meidav with the stipulated rate increase.

Under the B-1 Administrative Memorandum, agreements with physicians are exempt from the requirement for a Request for Proposals process.

The resolution contains the County's standard provision allowing amendment of the County's fiscal obligations by a maximum of \$25,000 (in aggregate).

The agreement and resolution have been reviewed and approved by County Attorney as to form.

It is anticipated that 80% of clients served will maintain their current or lower level of care.

**PERFORMANCE MEASURES:**

<b>Measure</b>	<b>FY 2022-23 Estimated</b>	<b>FY 2023-24 Projected</b>
Percentage of clients maintained at current or lower level of care	80% 37 participants	80% 37 participants

**FISCAL IMPACT:**

The term of the agreement remains July 1, 2022, through June 30, 2025. The original maximum amount of \$619,476 is being increased by \$139,812 to a new maximum of \$759,288 for the three-year term. Funds in the amount of \$244,846 are included in the BHRS FY 2022-2023 Adopted Budget, which is an increase of \$38,354. Of the \$244,846 amount, Medi-Cal will fund \$97,938; 1991 Realignment will fund \$97,938; and 2011 Realignment for Early Periodic Screening, Diagnosis and Treatment (EPSDT) will fund \$48,970. There is no Net County Cost.
