Special Notice / Hearing: None
Vote Required: 4/5ths

To: Honorable Board of Supervisors
From: Christina Corpus, Sheriff
Subject: Recognizing Unanticipated Revenue from the California Governor's Office of Emergency Services (Cal OES)

RECOMMENDATION:

Adopt a resolution:

- A) Authorizing the execution of the FY 2022 Paul Coverdell Forensic Science Improvement Program grant sub-awarded by the California Governor's Office of Emergency Services (Cal OES) for distribution to the County of San Mateo for the term of April 1, 2023 through June 30, 2024, in an amount not to exceed \$64,189; and
- B) Approving an Appropriation Transfer Request (ATR) in the amount of \$64,189 to establish a budget appropriation and record revenue for the California Governor's Office of Emergency Services (Cal OES) 2022 Paul Coverdell Forensic Science Improvement (CQ) Program grant.

BACKGROUND:

The Paul Coverdell Forensic Science Improvement (CQ) Program grant, sub-awarded through Cal OES, offers an opportunity for government entities with existing crime laboratories to obtain funding for improvements. This grant program assists with improving the quality and timeliness of forensic science services, reducing backlogs, and maintaining accreditation. These improvements are critical in reducing backlogs and helping the criminal justice system use the full potential of forensic technology.

DISCUSSION:

The Sheriff's Office applied for and anticipates being awarded the 2022 Paul Coverdell Forensic Science Improvement (CQ) Program grant in the amount of \$64,189, for a period commencing April 1, 2023 to June 30, 2024. Funding will assist with overall turnaround time for the testing of controlled substances and firearms, increase the throughput of the Sheriff's Office Forensic Laboratory, and reduce existing controlled substances and firearms casework backlogs. In addition, funding will assist in maintaining continuing education of staff in the fields of latent print examination, firearms

examination, and crime scene investigation.

The 2022 Paul Coverdell Forensic Science Improvement (CQ) Program award will be applied towards funding travel and training expenses, and personnel expenses for overtime.

The State requires a resolution from the Board authorizing execution of the grant subaward, including any extensions or amendments thereof, before the applicable grant subaward performance period.

FISCAL IMPACT:

This Appropriation Transfer Request accepts unanticipated revenue of \$64,189 from Cal OES. The term of the grant is from April 1, 2023 through June 30, 2024. There is no Net County Cost.
